

A close-up photograph of a person's hands holding a vibrant red heart. The hands are positioned in the center, with fingers gently cupping the heart. The person is wearing a dark, textured bracelet on their left wrist. The background is dark and out of focus. Overlaid on the image is the text 'Changed Hearts' in a white, elegant cursive font. Below this, in a smaller, simpler font, is the phrase '† all things faithful'.

Changed Hearts Changed Lives:

Changing Hearts Changing Communities Karl Brettig, 2023-08-16 We live in a world of changing hearts and changing communities Spiralling family violence and child abuse and neglect often related to intergenerational trauma are severely impacting many communities On an international level threats from nuclear war climate change and artificial general intelligence in the hands of autocratic dictators present disturbing challenges to our future If we want to see change in families communities and nations it needs to begin in the motivational centre of our being The scourge of insatiable approval seeking alienation from the Creator intergenerational trauma and the debilitating effects of a broken heart and spirit simmers within us How can we experience change We need to identify what needs to change in what is motivating us and discover how we can be empowered to change deeply entrenched habits As well as a change in the thought patterns of our minds we need to experience a pervasive pivot in our attitudes This publication draws from arguably the most significant change movement in history exploring how we can discover the power to change and contribute toward transforming broken communities in an uncertain world of accelerating change
