when stories with traditional male protagonists are updated with female characters Timeless plots and values remain while old tales transform to inspire and captivate a new generation When Debra Gordon Zaslow first ventured into Jewish storytelling in the mid 1980s she was surprised at how difficult it was to find Jewish tales featuring powerful female characters This seemed odd given the obvious strength of Jewish women Over the years she found herself slipping female characters into stories and changing male protagonists into females Her criterion was simple if it didn't change the basic meaning or plot of the story the character could be female There was always the sense however of meddling with something sacrosanct These Jewish stories have been handed down for centuries and who was she to change them Decades later comes this collection of stories The maggidot Jewish women storytellers who wrote and compiled this innovative anthology have created a collection to honor Jewish values while featuring female characters in every central role Some stories are female centered versions of traditional tales e g The Fishmonger and the Shiviti and The Shekhinah Is in Exile others are original fiction inspired by perennial Jewish themes A Queer Soul in the Shtetl **AJL Newsletter** Association of Jewish Libraries,1998 *A Different Light* Barbara Spectre,2000 Pluralistic perspectives on the Festival of lights and profiles in modern Jewish courage **School Library Journal** ,2006 **Winter Blessings** Izzy Abrahamson,2021-10-17 Delightful Chanukah tales your family will enjoy again and again Finalist for the National Jewish Book Award for Family Literature The Lethal Latkes is not a murder mystery It concerns some awful tasting latkes potato pancakes and what you might call another Hanukkah miracle love The New York Times Whether you spell it Hanukkah or Chanukah most books only have one story This book goes to eleven Funny Silly Heartwarming Delicious Izzy Abrahamson's holiday stories have been enjoyed by readers and listeners around the world This book collects eleven of his favorites plus the novella Out of the Woods Winters in The Village are crazy but the promise of holiday candles always light the heart No two years are ever the same You'll find out Who invented the Chanukah present What's with Joseph Katz and all the dreidels Where did the Chanukah Duck come from When will it stop being so cold Why did Rabbi Kibbitz leave that cryptic message And how will Rachel Cohen save The Village Frozen flames muddled challah and a community of family and friends all cultural backgrounds will be entertained by these tales School Library Journal Izzy Abrahamson is the award winning author of The Village Life series Malke's Secret Recipe David A.
