## **Apartment 3b:**

Apartment 3b Kurt Dawson, 2026-01-19 The apartment was affordable Convenient Perfect Until Alex noticed their reflection moving a fraction of a second too late At first the wrongness is subtle A coffee maker that turns itself on Windows that appear on the wrong wall Door numbers that flicker between 3B and 8B when you're not looking directly at them Alex tells themselves it's stress exhaustion the aftermath of a bad breakup But then the mirrors start showing someone else Someone who looks exactly like Alex Someone who's learning how to be them The building super Delgado has seen this before Forty three tenants over thirty eight years All of them disappeared All of them replaced by something that wasn't quite human He gives Alex a key to a storage locker and a warning Don't let your double touch you Because Apartment 3B isn't just an apartment It's a threshold between dimensions A collection point for people who fall through the cracks in reality And once the apartment starts the replacement process there's no way out Unless Alex can do what no one else has managed escape before the swap is complete But the apartment is patient The apartment is eternal And the apartment always wins For fans of Blake Crouch's Dark Matter Paul Tremblay's psychological horror and the dimensional dread of Annihilation

Apartment 3B is a mind bending psychological thriller about identity reality and the terrifying question how do you prove you're the real you
