Smith, 2015-02-22 Showing the Marvelous Development of the Prophecies from the Time of their Delivery on the Isle of Patmos The Establishment and Growth of Christianity Rise of Mohammedanism in the Eastern Empire Of the Papacy in the Western Division Of Protestantism The Civil History of the Territory Comprising the Ancient Roman Empire until the End of Time Together with the Conflicts and Triumphs of the Redeemed until the Final Judgment and their Eternal Reward and Home in the New Heavens and New Earth This book of the Revelation is frequently styled the Apocalypse derived from the word by which it is designated in Greek Jesus Christ having received it from God its author designed it for the future benefit of his church and communicated it to his servants by the hand of the beloved apostle John It is said of the things herein revealed that they must shortly come to pass by which is meant not that they were all to be completely fulfilled within a short time but that the series of special events predicted were soon to begin Thus we speak of a century or eternity as near at hand by which we mean that the events of the period spoken of are about to commence although the end of the series may be very far off

Exposition of the Apocalypse Tyconius (Afer),2017 The Exposition of the Apocalypse by Tyconius of Carthage fl 380 was pivotal in the history of interpretation of the Book of Revelation While expositors of the second and third centuries viewed the Apocalypse of John or Book of Revelation as mainly about the time of Antichrist and the end of the world in the late fourth century Tyconius interpreted John s visions as figurative of the struggles facing the Church throughout the entire period between the Incarnation and the Second Coming of Christ Tyconius s ecclesiastical reading of the Apocalypse was highly regarded by early medieval commentators like Caesarius of Arles Primasius of Hadrumetum Bede and Beatus of Liebana who often quoted from Tyconius s Exposition in their own Apocalypse commentaries Unfortunately no complete manuscript of the Exposition by Tyconius has survived A number of recent scholars however believed that a large portion of his Exposition could be reconstructed from citations of it in the aforementioned early medieval writers and this task was undertaken by Monsignor Roger Gryson Gryson s edition a reconstruction of the Expositio Apocalypseos of Tyconius was published in 2011 in Corpus Christianorum Series Latina The present translation of that reconstructed text with introduction and notes exhibits Tyconius s unique non apocalyptic approach to the Book of Revelation It also shows that throughout the Exposition Tyconius made use of interpretive rules that he had laid out in an earlier work on hermeneutics the Book of Rules strongly suggesting that Tyconius wrote his Exposition as a companion to his Book of Rules Thus the Exposition served as an exemplar of how those rules would apply to interpretation of even the most intriguing of biblical texts the Apocalypse
