Jeffrey,1997-04-09 Written in layman s terms by prophecy teacher Grant Jeffrey Apocalypse will help you understand the fascinating and mysterious prophecies contained in the Book of Revelation **Apocalypse** Grant R. Jeffrey,1994

Apocalypse 2012 Ernest Johnson,2012-10 Author Ernest Johnson delves into the passages of the scriptures in particular the Book of Revelation to glean insights on the storm that is to come By studying the prophecies of old he predicts the war of tomorrow and foresees the forces that will bring ruination through out the world in Apocalypse 2012 I heard the voice of the fourth living creature say come and see I looked and there before me was a pale horse it s rider was named death and Hades was following close behind him This is but one ominous passage in the book of Revelations foretelling the doom that will come to the world Numerous other prophecies predict the coming of the end times and continue to spread fear and uncertainty especially when the occurrence of terrible wars and calamities seem to concur with their divination In the light of this with Apocalypse 2012 God s Judgments Johnson uses his understanding of the Word of the Lord to outline the true meaning of these foreboding signs and portents their place in God s plan and their implications on the lives of the faithful and the non faithful alike His book explains how current and future events will herald the rise of the Anti Christ and the Second coming of Christ According to the Bible these are the signs leading to the rapture and preceding the plagues that will scourge the remnants of mankind after the true believers have been spirited away into the heavens safe from the horror about to befall those left behind It is in this time that the angels will sound the Trumpets announcing the arrival of the apocalypse and the ultimate Judgment of God will bestowed upon humanity Apocalypse 2012 God s Judgments studies the sacred Word of the Holy Bible to interpret present happenings and glean insights into the days to come For believers of the faith and those who wish to know what will come after the end of the year 2012 Johnson s work will make for a truly engrossing reading experience **While America Sleeps...The Coming Judgment** Helaine Mercer,2011-12-01

While America Sleeps brings forth dispensational endtime truths with the boldness of an ancient watchman crying out a warning to the unprepared and slumbering people The correlation of Old Testament and New Testament scripture proves the end of Gentile World Dominion is coming to the appointed time of completion It uses prophecy as an avenue to establish God s great and wondrous plans for The Nation Israel and for The Church It shares revelation knowledge that Jesus Christ s birthplace was by divine design A stable is the appropriate and proper place for a baby lamb to be born Jesus Christ was and is The Lamb of God Deity donned flesh and blood and was laid in a manger and named Jesus His sinless sacrificial blood was pre ordained to take away the sins of the world It shares God s love and concern for His creation mankind and shows that God s plans for man are good and not evil This book is unique in form for it was written for both Jew and Gentile *Christ's*

The Quarterly journal of prophecy ,1864 **Christ's Second Coming, is it Pre-millennial Or Postmillennial?**

Richard Cunningham Shimeall,1866 The Apocalyptic Year 1000 Richard Landes,Andrew Gow,David Van Meter,2003-06-05 The essays in this book challenge prevailing views on the way in which apocalyptic concerns contributed to larger processes of social change at the first millennium Several basic questions unify the essays What chronological and theological assumptions underlay apocalyptic and millennial speculations around the Year 1000 How broadly disseminated were those speculations Can we speak of a mentality of apocalyptic hopes and anxieties on the eve of the millennium If so how did authorities respond to or even contribute to the formation of this mentality What were the social ramifications of apocalyptic hopes and anxieties and of any efforts to suppress or redirect the more radical impulses that bred them How did contemporaries conceptualize and then historicize the passing of the millennial date of 1000 Including the work of British French German Dutch and American scholars this book will be the definitive resource on this fascinating topic and should at the same time provoke new interest in and debate on the nature and causes of social change in early medieval Europe
