Apollinaire Alcools

Francis J. Carmody

Apollinaire Alcools:

Alcools Guillaume Apollinaire, 2012-01-01 A new translation of this complex and beautiful poetry Alcools first published in 1913 and one of the few indispensable books of twentieth century poetry provides a key to the century's history and consciousness Champion of cubism Guillaume Apollinaire 1880 1918 fashions in verse the sonic equivalent of what Picasso accomplishes in his cubist works simultaneity Apollinaire has been so influential that without him there would have been no New York School of poetry and no Beat Movement This new translation reveals his complex beautiful and wholly contemporary poetry Printed with the original French on facing pages this is the only version of this seminal work of French Modernism currently available in the United States

Reading Apollinaire's Alcools Willard Bohn, 2016-10-27 Reviewing the previous scholarship for seventeen of the most important poems in Alcools this book provides a detailed analysis of each work and includes a state of the art survey of current Apollinaire criticism Besides acquainting readers with the existing scholarship the book considers all the interpretations that have been proposed and indicates profitable directions to pursue Each poem is subjected to a rigorous line by line analysis that engages in a succession of dialogues with previous critics The studies themselves are arranged in roughly chronological order beginning with the Rh nanes in 1901 1902 and concluding with Zone in 1912 Although each chapter is basically conceived as an independent unit readers are able to follow the evolution of Apollinaire's aesthetics from his first mature creations through his subsequent experiments with fantastic hermetic visionary and cubist poetry At the same time they witness Apollinaire's personal evolution from his infatuation with Annie Playden through a period of deep depression his love affair with Marie Laurencin and the aftermath of that relationship

Alcools by Guillaume Apollinaire Guillaume Apollinaire, 2009 **Alcools** Guillaume Apollinaire, 2011-09-30 This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks For those who have known and loved these works in the past this is an invitation to reunite with old friends in a fresh new format From

Shakespeare's finesse to Oscar Wilde's wit this unique collection brings together works as diverse and influential as *The Pilgrim's Progress* and *Othello*. As an anthology that invites readers to immerse themselves in the masterpieces of the literary giants it is a must-have addition to any library.

The Drama of Self in Guillaume Apollinaire's *Alcools* Richard Howard Stamelman, 1976 This volume closely follows Guillaume Apollinaire's search for self-knowledge through eight poems of *Alcools*. The study analyzes the dramatic personae and metaphors found in these poems and broaches ideas of the changing nature of the self, fragmentation and reintegration, dispersion, montage, and catharsis in the poet's work of 1913.

Alcools Guillaume Apollinaire, Warren Ramsey, 1965 *Composition and Structure of Guillaume Apollinaire's Alcools* Thomas Edward Marshall, 1959

Guillaume Apollinaire Marie Jeanne Durré, 1964 *The Evolution of Apollinaire's Poetics, 1901-1914* Francis J. Carmody, 1963 *A Semiotic Analysis of Guillaume Apollinaire's Mythology in Alcools* Nathalie Goodisman Cornelius, 1995

Guillaume Apollinaire's *Alcools* appears to be a haphazard accumulation of allusions, myths, and neologisms. Biographically and historically oriented attempts to elucidate a structure in this work have usually been frustrated. The semiotic approach to myth and poetry developed in this book shows that the key lies in the poetic function of mythology. In a close analysis of several poems, poetic figures are shown to be grafted upon the primary metaphors in the poems' titles, which in turn derive from conventional linguistic expressions. Proposed here is a new approach to which mythification and re-mythification generate patterns of multiple meanings which separate literature from common message-based discourse.

Guillaume Apollinaire Marie Jeanne Durré, 1956 *A Semiotic Analysis of Guillaume Apollinaire's Mythology in Alcools* Nathalie Goodisman, 1993

Till One Day the Sun Shall Shine More Brightly Derek Pollard, 2020-01-29

Since the publication of *From the Abandoned Cities* in 1983, Donald Revell has been among the more consistent influencers in American poetry and poetics. Yet his work has achieved the status it has; his honors include fellowships from the National Endowment for the Arts and the Guggenheim Foundation and awards from the PEN Center USA and *American Poetry Review* in a manner that has often tended to belie its abiding significance. This collection of essays, reviews, and interviews is designed to ignite a more wide-ranging critical appraisal of Revell's writing, from his fourteen collections of poems to his acclaimed translations of French symbolist and modernist poets to his artfully constructed literary criticism. Contributors such as Marjorie Perloff, Stephanie Burt, Dan Beachy Quick, and Bruce Bond examine key elements in and across Revell's work, from his visionary postmodernism to his poetics of radical attention. And so a poem has nothing to do with picking and choosing with the *mot juste* and reflection in tranquility. It is a plain record of one's entire presence in order to enlarge our understanding of how and why that work has come to occupy the place that it has in contemporary American letters.
