Apollos Seed:

The Ministry of the Word, Vol. 01, No. 03 Various Authors, 2023-03-03 In this issue of *The Ministry* we conclude our series of messages entitled *Vision in God's Economy* comprising Brother Lee's fellowship with the elders and co-workers in Taipei in March 1986. The present vision and practice in the Lord's recovery are the culmination of all the visions which God has given to men in His holy Word. Our vision and practice today are according to God's New Testament economy to build up the Body of Christ to consummate the New Jerusalem. This is the vision which matches the age and it is the basis of the one accord among us. Six other messages in this issue are taken from the International Conference of Co-workers and Elders in September 1997. The subject of this conference was *Vital Factors in the Lord's Present Move*. These vital factors are related to the apostles teaching the Body of Christ and the elders shepherding of the church. Caring diligently for these factors ensures that in our living and laboring we are kept in the central lane of the divine revelation with one way for one goal, the goal of God's eternal economy which we carry out by shepherding in cooperation with Christ's heavenly ministry. These messages were spoken by twelve brothers in a blending way and they include excerpts from Brother Lee's written ministry. In this issue we report on our endeavor to acquire an enlarged campus for the spread of the work of God's New Testament ministry in the Lord's recovery. We also provide fellowship concerning the Lord's move on the earth through letters from Ghana, France, Poland, and Romania. Lastly, we provide a report concerning the translation of the written ministry into the Spanish language.
