commence a philosophical debate Together the pair draw a number of comparisons with society in order to reach a definition of what is just and unjust in the context of human living The text makes a point of noting Crito s attempts at convincing Socrates to escape from prison and thus his death sentence although such an escape might be arranged Socrates refuses on the grounds that it is his duty as a citizen to face the death penalty Phaedo One of the most famous dialogues of Plato in Phaedo we witness the final philosophic discussions which Socrates partakes in before dying His friends and family are variously present until the final death sentence that of drinking a poison solution of hemlock is carried out The topics here range from the form and essential immortality of the soul the nature of learning and memory and the nature of life It is here that Plato with Socrates as his principle character advances a number of philosophic arguments and ideas which were to evolve later in his writings An iconic text the death of Socrates remains one of the most pivotal and popularly known events in the history of philosophy *Apology, Crito, and Phaedo of Socrates* Plato,2018-02-20 The Apology of Socrates by Plato is the Socratic dialogue that presents the speech of legal self defence which Socrates presented at his trial for impiety and corruption in 399 BC Specifically the Apology of Socrates is a defence against the charges of corrupting the young and not believing in the gods in whom the city believes but in other daimonia that are novel to Athens Crito is a dialogue by Plato It depicts a conversation between Socrates and his wealthy friend Crito regarding justice injustice and the appropriate response to injustice Socrates thinks that injustice may not be answered with injustice and refuses Crito s offer to finance his escape from prison This dialogue contains an ancient statement of the social contract theory of government Ph do or Phaedo also known to ancient readers as On The Soul is one of the best known dialogues of Plato s middle period The Phaedo which depicts the death of Socrates is also Plato s fourth and last dialogue to detail the philosopher s final days following Euthyphro Apology and Crito In the dialogue Socrates discusses the nature of the afterlife on his last day before being executed by drinking hemlock Socrates Plato,1886 **Apology, Crito and Phaedo of Socrates** Plato,2023-10-01 Apology Crito and Phaedo of Socrates by Plato This collection of dialogues by Plato including Apology Crito and Phaedo presents the philosophical ideas and trial of the ancient Greek philosopher Socrates These dialogues provide insights into Socrates defense of his beliefs his discussions with his followers and his contemplation of the afterlife Key Aspects of the Book Apology Crito and Phaedo of Socrates by Plato Socratic Philosophy Plato s dialogues offer a window into the philosophical ideas and methods of Socrates one of the most influential thinkers in Western philosophy Trial and Execution The dialogues particularly Apology and Crito delve into Socrates trial his defense of his philosophical stance and his decision to accept the death penalty Immortality of the Soul In Phaedo readers are introduced to Socrates thoughts on the immortality of the soul and the nature of the afterlife Plato born around 428 427 BCE was a renowned ancient Greek philosopher and student of Socrates His dialogues including those featuring Socrates continue to be studied for their contributions to ethics politics and metaphysics This collection reflects Plato s dedication to preserving the philosophical legacy of Socrates Apology, Crito,

and Phaedo of Socrates Plato, Henry Cary, 2014-09-10 The Apology is Plato's version of the speech given by Socrates as he defended himself in 399 BC

**Plato's Apology, Crito and Phaedo of Socrates** Plato, 2018-06-24 Plato's Apology Crito and Phaedo of Socrates Literally Translated by Henry Cary with an Introduction by Edward Brooks Jr Of all writers of speculative philosophy both ancient and modern there is probably no one who has attained so eminent a position as Plato What Homer was to Epic poetry what Cicero and Demosthenes were to oratory and what Shakespeare was to the drama of England Plato was to ancient philosophy not unapproachable nor unapproached but possessing an inexplicable but unquestioned supremacy The authentic records of his life are meagre and much that has been written concerning him is of a speculative nature He was born at Athens in the year 427 B C His father's name was Ariston and his mother's family which claimed its descent from Solon included among its members many Athenian notables among whom was Critias one of the thirty tyrants

**Apology, Crito, and Phaedo of Socrates by Plato** Plato, 2017-11-25 The philosophy of ancient Greece reached its highest level of achievement in the works of Socrates Plato and Aristotle Plato and Aristotle have been held in high esteem because of their intellectual achievements and the fact that their ideas have been preserved through the writings that they produced Socrates has also been recognized as an intellectual genius but in addition his career in the city of Athens has come to be regarded by many persons as an outstanding example of the virtues that he advocated With reference to the trial and death of Socrates there are four dialogues that are especially relevant They are the Euthyphro the Apology the Crito and the Phaedo In the Euthyphro an attempt is made to answer the question What is piety It has a particular bearing on the trial of Socrates for he had been accused of impiety and was about to be tried for a crime the nature of which no one seemed to understand The Apology contains an account of Socrates' defense of himself after he had been charged with being a corrupter of the youth and one who refuses to accept the popular beliefs concerning the gods of the city of Athens It is generally regarded as the most authentic account on record of what Socrates actually said as he appeared before his judges Plato's dialogues have been translated into many different languages and have been published in a number of editions

**Apology, Crito and Phaedo of Socrates** Plato, 1929

**Six Great Dialogues** Plato, 2012-04-04 Plato's Dialogues rank among Western civilization's most important and influential philosophical works These six selections of his major works explore a broad range of enduringly relevant issues Authoritative Jowett translations

*Apology, Crito, Critias and Ion Dialogues of Plato* Plato, 2009-11 Apology Possibly one of Plato's first works the Apology presents Socrates' own defense and in the process helps define his philosophy He wished to change the way in which his contemporaries viewed the world and believed the unexamined life is not worth living Crito Socrates is sentenced to death but his friend Crito bribes the guards to enable his escape Crito feeling that the sentence is unjust sees no wrong in avoiding it with another injustice while Socrates disagrees In their conversation they probe the foundations of civil and moral law as well as the social contract theory of government Critias One of the late and unfinished dialogues Critias is the original account of the rise and fall of

Atlantis an ancient mighty empire ruled by the descendants of Poseidon It is thought that the account is not historical but rather an illustration of Plato s vision an ideal society Ion In this short work Socrates discusses with Ion a successful actor his ability to interpret Homer Thus arise two questions First is there an art of poetry as a whole and consequently Does philosophy only exist in the use of words The dialogue thus delves into the puzzling nature of human creativity The Judgment of Socrates Plato,1898 **Apology, Crito, Phaedo, Symposium, Republic** Plato,1969 **Socrates** Plato,1884 **Socrates, a tr. of the Apology, Crito, and parts of the Phaedo of Plato** Plato,1883 **Apology, Crito, and Phaedo of Socrates** Платон,2021-12-02
