Apostolic Team Ministry:

Apostolic Team Ministry Scott Wallis, 2003-09 *Apostolic Team Ministry - Outside the Sanctuary* John Woolston, 2013-11 This course will revolutionize your ministry It holds the keys for effective church growth and personal fulfillment in the ministry God has given you These principles are apostolic They are principles that Jesus taught His original disciples who became known as apostles They in turn taught them to the ones who became disciples of the Lord as a result of their ministries The need for Assessment Occasionally it is good to assess the results that we are having What happens at half time when the teams come off the field and they meet in the locker room I am sure that their coaches tell them how they are doing and what they need to do to improve their game If we were to think about the state of the church today and the results that we are seeing with as many Christians that are in the game is our team working together efficiently We as the church have three major tasks before us 1 Is to EVANGELIZE 2 Is to MAKE DISCIPLES of Jesus 3 Is to REPRODUCE and raise up new LEADERS Every believer in Jesus should seek to reach others who are not yet Christians share the good news of Jesus and give them an opportunity to become a Christian Having done this our second goal should be to begin to disciple them teaching them the basic principles and fundamentals of what it means to be a Christian And thirdly we should have a goal of seeing them become a leader A leader is someone who can lead others The goal of every leader should be to reproduce new leaders We can multiply our effectiveness if we will extend our ministry to others through others These are a few of the principles that are covered in this course *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* ,2003 **Every Nation in Our Generation** Rice Broocks, 2002 Make Disciples of All Nations In this book Rice Broocks explains the progress of the Church in terms of its obedience to the apostolic mandate This mandate which has been called the Great Commission must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet The orders of Jesus to His followers to make disciples of all nations is far more than simply giving people a basic gospel message This mandate includes not only individual transformation but cultural as well About the author Rice Broocks is the president of Morning Star International MSI a family of churches and ministries currently operating in 35 nations He is also the senior pastor of Bethel World Outreach Center in Nashville Tennessee where he lives with his wife and their five children He is the co founder of Champions for Christ a ministry to college and professional athletes as well as the president of Victory Campus Ministries reaching out to hundreds of university campuses around the world **The Apostolic Movement for Students** Team Impact Team Impact Christian University, 2016-05-20 Apostolic ministry is grounded in the fact that the God of Scripture is a sending God who graciously reaches out to a fallen world Jesus is both the supreme revelation of the God who sends and the perfect example of one who is sent as an apostle The church is an apostolic people sent into the world Jesus appointed the Twelve with unique authority as witnesses to the resurrection Paul shared in that unique authority but also demonstrated that the ministry of apostle continues in a functional sense The

spiritual gift of apostle is given to individuals to equip the whole church in its apostolic calling. Apostles are called by God but their calling is to be recognized by the body of Christ. The ministry of an apostle is translocal and involves both church planting and strengthening existing churches. The authority of an apostle is determined by the apostle's willingness to be a servant of the gospel and of the body of Christ. Apostles are recognized by their pioneering and translocal ministry of church planting and church strengthening. Apostles function best as leaders of apostolic bands that are in partnership with local churches. Throughout history various individuals at the forefront of the church's mission have demonstrated an apostolic ministry. Today a number of models of ministry point the way to the contemporary functioning of apostolic ministry. Apostolic ministry functions best when it is conducted in both power and weakness. As such it reflects the dual reality of the cross and resurrection in the ministry of the apostle. The gift of apostle has been given for the church's strengthening and equipping in its mission. Individuals with an apostolic ministry should be recognized and released to that function if the church is to be true to its calling in the world. The church began its existence as a missionary movement. The church is apostolic not only because its teachings are founded on the Apostles but because it is commanded by Jesus to take the gospel to every people group and wherever the gospel is met with faith to found churches that continue the process.
