Appalachia, 1915

The Golden Boy of the Apocalypse Jamie Duran, 2024-11-12 The sun humanity's cradle became its pyre A solar flare of unimaginable force scorched the Earth twisting life into monstrous new forms and leaving whispers of something else in the ravaged air Eighteen year old Cole West once the golden boy of his Appalachian town watched his idyllic world crumble But from the ashes of that lost future something within him awakened a sensitivity to the altered electromagnetic fields a power echoing the earth's ravaged heartbeat a power he never asked for Now Cole must protect his traumatized family in a world stalked by mutated predators and the Vultures a fanatical cult led by the charismatic Silas Vane Silas preaches that the flare was a divine purge and he sees Cole's burgeoning power as a threat a rival claim to divine mandate Caught in Silas's obsessive gaze Cole must navigate a landscape of fear and desperation choosing between clinging to the ghost of his past or embracing the terrifying potential within Aided by Kristina Black a brilliant but haunted tinkerer searching for atonement and Scott Pitts his childhood friend whose grief has forged him into a tactical prodigy Cole forms a desperate resistance But leadership is a heavy burden and every decision amplified by his newfound power ripples through their fragile community with devastating consequences Within the ruins of a forgotten research facility a terrifying truth awaits the flare was no accident It was a failed experiment one that awakened Cole's abilities and hinted at a second far more destructive flare waiting to be unleashed And Silas consumed by his warped vision intends to trigger it completing his twisted vision of divine cleansing Torn between the seductive whispers of his own power and the desperate need to protect his loved ones Cole must confront the darkness within and choose his destiny Will he become the monster Silas fears or the reluctant savior his broken world so desperately needs The fate of what remains of humanity hangs in the balance beneath a mutated sky pulsating with the promise of final annihilation

Up There at the House Pete A. Martin, 2016-09-21 Away in the hills of an Eastern Kentucky county he has never left a boy waits to be transported to where he does not know He grits his teeth to keep the tears from his eyes He refuses to let anyone see him cry Just as they are leaving the fine mist that has been falling turns in to a steady rain A short time later Cygnet A DeKeigh is welcomed to his new home an asylum Thankfully Cyg's new home is temporary and he is

eventually released back into the poverty stricken world that surrounds the Appalachian Mountains as the only child of unruly and unstable parents As he continues a coming of age journey fraught with trials tribulations and triumphs Cyg must somehow navigate through emotional upheavals roller coaster relationships and good and evil Finally as he completes high school Cyg has the chance to reflect on his experiences his lessons and most importantly how he will pursue his dreams Up There at the House shares the provocative account of a boys coming of age journey in the Appalachian Mountains of Eastern Kentucky as he learns about life love and the value of an education **Appalachia** Appalachian Mountain Club,1892
