It also contains teacher friendly text including colors, alphabets, and numbers that children can learn and recognize. Scripture quotations from the King James Version KJV of the Holy Bible are for inspiration to the reader. When looking at this book with children who are learning to read, help them remember pronunciations by saying words slowly. Repeating the word should encourage the children to say the word as well. The colorful words may help children get familiar with the spelling of specific colors. This book also provides an opportunity for children to make a distinction between characters.
