A MULTICULTURAL APPROACH

Sixth Edition

Edited by Larry May and Jill B. Delston

Applied Ethics A Multicultural Approach

David Ingram

Applied Ethics A Multicultural Approach:

Applied Ethics Larry May, 2017-07-05 This best selling text continues to fill an existing gap in the literature taught in applied ethics courses As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum texts are needed that represent more multicultural and diverse histories and backgrounds This new edition enhances gender coverage as nearly half of the pieces are now authored by women The new edition also increases the percentage of pieces written by those who come from a non Western background It offers twelve up to date articles not found in previous editions on human rights environmental ethics poverty war and violence gender race euthanasia and abortion all of these topics are addressed from Western and non Western perspectives **Applied Ethics** Larry May, Shari Collins-Chobanian, Kai Wong, 1998 A multicultural text anthology on applied ethics From publisher s description *Applied Ethics* Larry May, 2017 This best selling text continues to fill an existing gap in the literature taught in applied ethics courses As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum texts are needed that represent more multicultural and diverse histories and backgrounds This new edition enhances gender coverage as nearly half of the pieces are now authored by women The new edition also increases the percentage of pieces written by those who come from a non Western background It offers twelve up to date articles not found in previous editions on human rights environmental ethics poverty war and violence gender race euthanasia and abortion all of these topics are addressed from Western and non Western perspectives Provided by publisher *Applied Ethics* Larry May, Kai Wong, Jill Delston, 2011 This text addresses various topics in applied ethics from Western and non Western perspectives Multicultural perspectives are fully integrated throughout the text **Applied Ethics: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Philosophy a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study Philosophy Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com *The Moral Status of Persons*, 2021-11-08 The advances in molecular biology and genetics medicine and neurosciences in ethology and environmental studies have put the concept of the person firmly on the philosophical agenda Whereas earlier times seemed to have a clear understanding about the moral implications of personhood and its boundaries today there is little consensus on such matters Whether a patient in

the last stages of Alzheimer's disease is still a person or whether a human embryo is already a person are highly contentious issues. This book tackles the issue of personhood and its moral implications head on. The thirteen essays are representative of the major strands in the current bioethical debate and offer new insights into humanity's moral standing, its foundations, and its implications for social interaction. While most of the essays approach the issue by drawing on the rich intellectual tradition of the West, others offer a cross-cultural perspective and make available for ethical consideration the philosophical resources and the wisdom of the East. The contributors to this book are highly recognized philosophers, ethicists, theologians, and professionals in health care and medicine from East Asia, China, Japan, Europe, and North America. The first part of the book probes the foundations of personhood. Examining critically the main theories on personhood in contemporary philosophy, the authors offer alternatives that better respond to contemporary challenges and their implications for bioethics. The focus of the second part is firmly on the Confucian relational concept of the person and on the social constitution of personhood in traditional Japanese culture. While the essays challenge the individualistic features of personhood in the Western tradition, they lay the foundations for a richer concept that holds great promise for the resolution of moral dilemmas in modern medicine and health care. The third part of the book enters into a dialogue with the Christian tradition and draws on its spiritual heritage in the search for answers to the contemporary challenges to human dignity and value. Its focus is on the Catholic social thought and Lutheran theology. The fourth part addresses the moral status of persons in view of specific issues such as the effects of brain injury, gene therapy, and human cloning on personhood. It extends the scope of research beyond human beings and inquires also into the moral status of animals.

Global Justice and Due Process Larry May, 2010-12-09

The idea of due process of law is recognised as the cornerstone of domestic legal systems and in this book Larry May makes a powerful case for its extension to international law. Focussing on the procedural rights deriving from Magna Carta such as the rights of habeas corpus, not to be arbitrarily incarcerated, and nonrefoulement, not to be sent to a state where harm is likely, he examines the legal rights of detainees, whether at Guantanamo or in refugee camps. He offers a conceptual and normative account of due process within a general system of global justice and argues that due process should be recognised as *jus cogens*, as universally binding in international law. His vivid and compelling study will be of interest to a wide range of readers in political philosophy, political theory, and the theory and practice of international law.

Abortion Michael Tooley, 2009. The author states that women have a human right to abortion, that abortion rights are necessary for gender equality, and that the availability of abortion is dispensable for public health and social development. These three basic principles of gender justice are intended to guide the design of laws and public policies that limit or facilitate abortion.

Behind the Silence Jing-Bao Nie, 2005. Behind the Silence is the first in-depth work in any language to explore the diverse perspectives of mainland Chinese regarding induced abortion and fetal life in the context of the world's most ambitious and intrusive family planning program. Through his investigation of public silence, official standpoints, forgotten controversies,

from the imperial era popular opinions women s personal stories doctors narratives and the problem of coerced abortion Nie Jing Bao brings to light a surprising range of beliefs concerning fetal life and the morality of abortion yet finds overall an acceptance of national population policies China s internal plurality the author argues must be taken seriously if the West is to open a fruitful cross cultural dialogue Visit our website for sample chapters

Group Rights David Ingram,2000 Ingram philosophy Loyola University brings a variety of current social dilemmas together in a mutually illuminating way He examines the concept of legal equality in a multiracial society by considering issues such as self governance for Native Americans the rights of immigrants affirmative action and racial redistricting tie also tackles the problem of social injustice in a global setting by assessing the negative impact of free trade policies on the rights of groups to self determination and cultural integrity

The Ethics Challenge in Public Service Carol W. Lewis,Stuart C. Gilman,2005-03-11 Since it was first published in 1991 The Ethics Challenge in Public Service has become a classic text used by public managers and in public management programs across the country This second edition is filled with practical tools and techniques for making ethical choices in the ambiguous pressured world of public service It explores the day to day ethical dilemmas managers face in their work including what to do when rules recommend one action and compassion another and whether it is ethical to dissent from agency policy This essential text explores managers accountability to different stakeholders and how to balance the often competing responsibilities Praise for The Ethics Challenge in Public Service If you have ethics responsibilities in the public sector you must read this book for its text and compilation of resource materials The Honorable Stephen D Potts chairman of the Board of Directors of the Ethics Resource Center and former director the U S Office of Government Ethics This book is three things the best available synthesis of ethics in public affairs a first rate theoretical consideration of ethics and a wonderfully applied useful and practical guide Carol Lewis and Stuart Gilman are two giants in the field and this book lives up to their stature H George Frederickson Edwin O Stene Distinguished Professor of Public Administration Policy Research Institute The University of Kansas The Ethics Challenge in Public Service is a necessary tool for public administrators and students alike in this era of fiscal challenges heightened citizen expectations of government accountability and public scrutiny providing both theoretical frameworks and practical applications for ethical decision making Carol Lewis s book is a must have for any public sector professional s reference shelf without regard to sector or specialty Ann M Hess J D M P A president Massachusetts Chapter American Society for Public Administration and staff director Boston City Council Having used The Ethics Challenge in Public Service in my graduate course for years it was good news that Carol Lewis and Stuart Gilman have prepared a second edition Incorporating updated material and new treatments of international developments and of ethics in the nonprofit sector this book remains simply indispensable for teaching public service ethics Guy B Adams professor Harry S Truman School of Public Affairs University of Missouri Columbia The Ethics Challenge in Public Service draws the reader into the pervasive ethical dimension of public service Lively timely well crafted

cases in every chapter engage both reason and moral imagination This is an ideal text for professional ethics courses Practicing administrators will recognize the ethical conflicts and dilemmas and learn effective strategies for working through them It also includes an extensive chronology of public service ethics a useful resource in itself B L Catron professor emeritus of public administration George Washington University The authors deep commitment to public service and empathetic understanding of the complexities and ethical dilemmas faced by public service practitioners are reflected in this book s title and in its thoughtful balancing of idealism and realism so that Lewis and Gilman offer moral direction without resorting to simplistic rote prescription for belief or behavior Jonathan B Justice School of Urban Affairs and Public Policy University of Delaware

Instructor's Resource Manual Sharin Collins Sharrat Applied Ethics a Multicultural Approach Larry May,1994 *Families in Society* ,2002 [Proceedings and Addresses of the American Philosophical Association](#) American Philosophical Association,2005 List of members in v 1 **Canadian Philosophical Reviews** ,1995 *Learning Through Field* Susan F. Cochrane,Marla Martin Hanley,1999 Those new to social work know that their fieldwork experience is the most fulfilling gratifying aspect of their job Yet is also can be the most confusing stressful challenging and frightening part This book therefore is intended for new social workers to help them discover understand and benefit from the developmental process of their fieldwork Written in a friendly helpful manner the book helps readers to identify their strengths needs and learning styles to become familiar with agency organization on the micro mezzo and macro levels to formulate their field goals and strategize ways to evaluate learning to develop and to build on the supervisory relationship and to end their placement in a thoughtful and effective manner Novice social workers social work teachers and social service professionals

Thinking Ethics in Technology Carl Mitcham,1997 *Encyclopedia of Applied Ethics: J-R* ,1998 Applied ethics a subdiscipline of philosophy lends itself to an encyclopedia format because of the many industries and intellectual fields that it encompasses The Encyclopedia of Applied Ethics is based on twelve major categories such as Biomedical Ethics and Environmental Ethics Religious traditions that embody normative beliefs as well as classical theories of ethics are explored in a non judgmental manner Each of the twelve categories is divided into discrete areas that are covered by 5 000 6 000 word articles Each of the 281 articles begins with a definition of the subject and includes a table of contents glossary of key terms and bibliography Second and third level headings boxes sidebars and the like emphasize the reference oriented nature of the material The four volumes are arranged in an A Z format with a complete subject index at the end of the last volume Articles are written by international experts arranged alphabetically by title not by subject and cross referenced so the reader can locate relevant information in other articles

Bringing Peace Home Karen Warren,Duane L. Cady,1996 This collection of works is ambitious well documented thoroughly though not turgidly referenced and comprehensively indexed It is deeply disturbing and deeply engaging Australian Feminist Studies Contributors discuss the subtle and complex relationships between various notions of feminism and peace Feminist peace

issues are explored along a wide spectrum of personal and political issues from the personal violations of rape incest and domestic abuse to the violence of racism sexism economic exploitation war and genocide **Radical Virtues** Richard White,2008-03-20 Richard White explores how moral virtues affect and support social movements such as pacifism environmentalism multiculturalism and animal rights White s philosophical treatment of virtue ethics is extended through historical and cross cultural analysis to help the reader

Applied Ethics A Multicultural Approach Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Applied Ethics A Multicultural Approach free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Applied Ethics A Multicultural Approach free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Applied Ethics A Multicultural Approach free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of

their work, but its essential to be cautious and verify the authenticity of the source before downloading Applied Ethics A Multicultural Approach. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Applied Ethics A Multicultural Approach any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Applied Ethics A Multicultural Approach Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
