Antons Mountain:

Anton's Angels Anita Trueman, 1900 **Anton Chekhov** Donald Rayfield, 2013-11-07 The description definitive is too easily used but Donald Rayfield's biography of Chekhov merits it unhesitatingly To quote no less an authority than Michael Frayn With question the definitive biography of Chekhov and likely to remain so for a very long time to come Donald Rayfield starts with the huge advantage of much new material that was prudishly suppressed under the Soviet regime or tactfully ignored by scholars But his mastery of all the evidence both old and new a massive archive is magisterial his background knowledge of the period is huge his Russian is sensitive to every colloquial nuance of the day and his tone is sure He captures a likeness of the notoriously elusive Chekhov which at last begins to seem recognisably human and even more extraordinary Chekhov's life was short he was only forty four when he died and dogged with ill health but his plays and short stories assure him of his place in the literary pantheon Here is a biography that does him full justice in short unapologetically to repeat that word definitive I don't remember any monograph by a Western scholar on a Russian author having such success Nikita Mikhalkov said that before this book came out we didn't know Chekhov The author doesn't invent add or embellish anything Rayfield is motivated by the Westerner's urge not to hold information back however grim it may be Anatoli Smelianski Director of Moscow Arts Theatre School It is hard to imagine another book about Chekhov after this one by Donald Rayfield Arthur Miller Sunday Times Donald Rayfield's exemplary biography draws on a daunting array of material inaccessible or ignored by his predecessors Nikolai Tolstoy The Literary Review Donald Rayfield Chekhov's best and definitive biographer William Boyd Guardian **The Sword of Anton**, 2006 Jason Del has died and passed beyond Trinity where he triumphed over Pure Evil in the Final Contest but an ancient power remains that wants Trinity for its own and this time Jason's daughter Megani must lead the fight *Her Rocky Mountain Defender* Jennifer D. Bokal, 2018-04-01 A medical student searching for her troubled sister gets caught up with a secret agent investigating a drug cartel in this romantic suspense novel Searching for her missing sister leads Madelyn Thompkins straight into the path of danger and Roman DeMarco Wounded physically and emotionally the undercover agent hardly needs this distraction When the two collide with a Russian gang they go on the run and are drawn together Their priorities don't align but when Madelyn falls victim to a murderous criminal Roman is ready to sacrifice everything to save her **Anton and Trini** Virginia Olcott, 1930 *Ski Style* Annie Gilbert Coleman, 2004 Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts Much more than a history of the sport her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems and a ski culture that exalts celebrity and status over the physical act of skiing Jacket *Pairing Off* Elizabeth Harmon, 2015-02-02 American figure skater Carrie Parker's Winter Games dreams were dashed when her philandering partner caused one of the greatest scandals in skating history Blacklisted from competing in the United States her career is over until she receives a mysterious invitation and is

paired with the most infuriating talented and handsome skater she s ever met Russian champion Anton Belikov knows sacrifice He gave up a normal life and any hope of a meaningful relationship to pursue his dream And he s come close with a silver medal already under his belt the next stop is the gold All he needs is a partner While he s never forgotten the young American skater he seduced one long ago night in Amsterdam he never expected to be confronted with their past never mind share the ice with her When what starts as a publicity stunt grows into something real Carrie and Anton s partnership will test their loyalties to family country and each other With only a few months to train for the competition of a lifetime can they master technique and their emotions or will they lose their footing and fall victim to the heartaches of their pasts 96 000 words
