Can't Anybody Here Play This Game? Jimmy Breslin, 2012-02-14 A hilarious look back at the 1962 Mets and their record as the worst baseball team in history by the New York Times bestselling author Newark Star Ledger Five years after the Dodgers and Giants fled New York for California the city's National League fans were offered salvation in the shape of the New York Mets an expansion team who in the spring of 1962 attempted to play something resembling the sport of baseball Helmed by the sagacious Casey Stengel and staffed by the league's detritus the new Mets played 162 games and lost 120 of them making them statistically the worst team in the sport's modern history It's possible they were even worse than that Starring such legends as Marvin Throneberry a first baseman so inept that his nickname had to be Marvelous the Mets lost with swashbuckling panache In an era when the fun seemed to have gone out of sports the Mets came to life in a blaze of delightful awe inspiring ineptitude and held a record that would stand for over sixty years They may have been losers but a team this awful deserves to be remembered as legends This ebook features an illustrated biography of Jimmy Breslin including rare photos and never before seen documents from the author's personal collection

Does Anybody Here Speak English? Patricia LaPlante, 2009-10-30 This memoir is a delightfully humorous account of a suburban homemaker's foray into the Old World in the wake of her husband's corporate transfer to Belgium As a naive forty something suffering from wanderlust despite never having taken a flight longer than a twenty minute puddle hopper between Syracuse and Buffalo the author was suddenly confronted with the necessity of moving herself and all her family's worldly possessions to a little town in Belgium She was ready for this Or so she thought Given her propensity to attract trouble think Lucy Ricardo the author's great naivete leads her into many comic misadventures ranging from her attempt to smuggle thousands of dollars in pesetas through Spanish customs for a friend introducing the Mexican ambassador to a roomful of people by the wrong name a faux pas that haunts her to this day and finding her car missing in London when she goes on a wild shopping spree Her husband once said that everytime she walks out the door he wonders if he'll ever see her again And with good reason But there are poignant and heartrending moments as well such as a never to be forgotten moment at Luxembourg War Memorial Cemetery and the gut wrenching events that unfold at the infamous Berlin Wall When the author finally returns stateside at the end of her husband's assignment she was more savoir fair and worldly wise than when she came Or was she Even she is surprised by the answer to that question
