R. H. Jayne, 2019-08-02 Along the eastern bank a small Indian canoe containing a single individual was stealing its way hugging the shore so as to take advantage of the narrow band of shadow that followed the winding of the stream There were no trees on either side of the river but this portion was walled in by bluffs rising from three or four to fully twenty feet in height The current was sluggish and not a breath of air wrinkled the surface on this mild summer night

Poston,2015-04-23 2 The Democratic party was in the plenitude of power and the Southern States were dominant in the Administration It had been the dream of this element for many years to construct a railroad from the Mississippi River to the Pacific Ocean and the additional territory was required for a pass It was not known at that early day that railroads could be constructed across the Rocky Mountains at a higher latitude and it was feared that snow and ice might interfere with traffic in the extremes of winter The State of Texas had already given encouragement to the construction of such a railroad by a liberal grant of land reaching as far west as **Sunset Pass** Charles King,2015-08-05 Excerpt from *Sunset Pass Or Running the Gauntlet Through Apache Land* Better take my advice sir The road ahead is thick with the Patchies But you have come through all alone my friend why should I not go I have been stationed among the Apaches for the last five years and have fought them all over Arizona Surely I ought to know how to take care of myself I don t doubt that captain It s the kids I m thinking of About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
