# Apache Scout

**H. B. Wharfield**

## **Apache Scout:**

Dispatches from the Fort Apache Scout Lori Davisson, Edgar Perry, White Mountain Apache Culture Center, 2016-03-03  
The book continues efforts to bridge Ndee Apache and non Indian ideas about what happened in the past and why history matters today It stakes out a common ground for understanding the earliest relations between very different groups Apache Spanish Mexican and American Provided by publisher Navajo Scouts During the Apache Wars John Lewis Taylor, 2010-03-01 An in depth account of the reasons risks and rewards that impacted the Navajos who enlisted in the American military in the late nineteenth century 2019 New Mexico Arizona Book Awards eBook Nonfiction Winner In January 1873 Secretary of War William W Belknap authorized the Military District of New Mexico to enlist fifty Indigenous scouts for campaigns against the Apaches and other tribes In an overwhelming response many more Navajos came to Fort Wingate to enlist than the ten requested Why so soon after the Navajo War the Long Walk and imprisonment at Fort Sumner would young Navajos volunteer to join the United States military Author John Lewis Taylor explores this question and the relationship between the Navajo Nation and the United States military in the late nineteenth and early twentieth centuries Relates the story of those men chronicling their role in the army s attempts to subdue the Apaches who resisted the reservation system being imposed on them Farmington Daily Times The Apache Kid Chronicles W. Michael Farmer, 2025-06-10 When the Camp Grant Massacre leaves his family shattered young Haskay bay nay ntail later known as the Apache Kid faces a world marked by betrayal and survival Navigating the harsh deserts of Arizona Territory the boy who survived that brutal night rises to prominence as a highly skilled army scout Under the tutelage of renowned Chief of Scouts Al Sieber and trusted reservation leaders the Kid quickly proves himself to be an invaluable asset in the U S Army s campaigns against renegades But the loyalty of a young warrior is put to the test when his own people fall under the weight of military oppression Trapped between two worlds his Apache heritage and his duty to the army the Kid is forced to make an impossible choice When he defends his people against unjust punishment he finds himself betrayed by the very men who once praised him Labeled a traitor and facing a death sentence the Kid escapes and disappears into the vast wilderness of the Southwest Now an outlaw hunted on both sides of the border he becomes a figure of terror and fascination But behind the wanted posters and whispered legends there is a man seeking redemption and a way to right the wrongs that haunt his past Told through multiple perspectives The Apache Kid Chronicles Volume One Army Apache Scout a Novel reveals the true story of a misunderstood hero one whose quest for justice blurs the line between outlaw and legend **An Integrative Approach to Interpretations of an Historical-Period Apache Scout Camp at Fort Apache, Arizona** Nicholas Laluk, 2007 With the encroachment of the United States military onto Apache lands many Apache men joined the military due to intolerable reservation conditions and the unique economic opportunity of enlisting as scouts for the military This thesis attempts to better understand the relationships among military personnel Apache scouts and nonmilitary Apache people By

examining the material remains of a scout camp located on the Fort Apache Indian Reservation FAIR and integrating these findings with oral history and information collected from White Mountain Apache consultants a better understanding of historical Western Apache life can be delineated This thesis examines these lifeways and interactions by applying a theoretical framework adopted from Steven Silliman s practical politics Richard White s concept of the middle ground and Western Apache landscape knowledge and stories The Apache Scouts Charles River Charles River Editors,2015-07-08 Includes pictures Includes accounts of Apache scouts written by other soldiers Includes online resources and a bibliography for further reading Includes a table of contents Even if we should be able to dislodge them from the rough mountain ridges and impenetrable woods which cover the immense territories of these frontiers they would seek better asylum in the vastness of the Sierra Madre They know how to surprise and destroy our troops in the mountains and on the plains They are not ignorant of the use and power of our arms they manage their own with dexterity and they are as good or better horsemen than the Spaniards and having no towns castles or temples to defend they may only be attacked in their dispersed and movable rancherias Bernardo de Galvez Instructions for Governing the Interior Provinces of New Spain 1787 The Quivera Society Berkeley The Apache of the American Southwest have achieved almost legendary status for their fierceness and their tenacity in fighting the U S Army Names like Nana Cochise and Geronimo are synonymous with bravery and daring and the tribe had that reputation long before the Americans arrived Indeed among all the Native American tribes the Spanish Mexicans and Americans learned the hard way that the warriors of the Apache were perhaps the fiercest in North America Based in the Southwest the Apache fought all three in Mexico and the American Southwest engaging in seasonal raids for so many centuries that the Apache struck fear into the hearts of all their neighbors First migrating to the Southwest from western Canada sometime around 1000 1500 the Apache lived a hunting and gathering lifestyle in the rough mountains and vast stretches of desert left unused by the agricultural peoples who had preceded them or fought for the scarce temperate highlands of the region s many mountain ranges The Apache kept herds of animals and would trade and raid with the settled tribes Successive waves of immigrations would change Apache lifestyle forever First the Spanish and then the Mexicans moved into what is now northern Mexico Arizona New Mexico and western Texas The newcomers were few at first but even so the Apache felt the pinch as they were pushed out of some of their traditional grazing and hunting lands More serious trouble began in the mid 19th century with the conquest of the region by the United States and the influx of large numbers of ranchers farmers and miners The Apache were soon cornered into the most remote areas and conflict became inevitable The U S Cavalry bore the main burden of pacifying the region and found it incredibly difficult to track down the Apache who had an intimate knowledge of the terrain and could disappear into the rough mountains without leaving more than a trace of their passing The cavalry tried many different tactics including hiring native scouts but it wasn t until they hired Apaches to go after other Apaches that they were able to finally defeat the hostile bands The story of the Apache scouts is one of the most

unusual in the annals of military history a tale of a supposedly superior army adapting the strategy and tactics of a much smaller and technologically inferior foe Like the majority of Native American groups the Apache were eventually vanquished and displaced by America's westward push but the Apache's military prowess remain legendary The Apache Scouts The History and Legacy of the U S Army Indian Scouts Used in the Apache Wars analyzes the use of native scouts and the history of the Apache wars that stretched over decades Along with pictures of important people places and events you will learn about the Apache scouts like never before in no time at all *New Natures* Dolly Jørgensen, Finn Arne Jørgensen, Sara B. Pritchard, 2013-07-08 *New Natures* broadens the dialogue between the disciplines of science and technology studies STS and environmental history in hopes of deepening and even transforming understandings of human nature interactions The volume presents richly developed historical studies that explicitly engage with key STS theories offering models for how these theories can help crystallize central lessons from empirical histories facilitate comparative analysis and provide a language for complicated historical phenomena Overall the collection exemplifies the fruitfulness of cross disciplinary thinking The chapters follow three central themes ways of knowing or how knowledge is produced and how this mediates our understanding of the environment constructions of environmental expertise showing how expertise is evaluated according to categories categorization hierarchies and the power afforded to expertise and lastly an analysis of networks mobilities and boundaries demonstrating how knowledge is both diffused and constrained and what this means for humans and the environment Contributors explore these themes by discussing a wide array of topics including farming forestry indigenous land management ecological science pollution trade energy and outer space among others The epilogue by the eminent environmental historian Sverker Sorlin views the deep entanglements of humans and nature in contemporary urbanity and argues we should preserve this relationship in the future Additionally the volume looks to extend the valuable conversation between STS and environmental history to wider communities that include policy makers and other stakeholders as many of the issues raised can inform future courses of action *Mickey Free* Allan Radbourne, Joyce L. Jauch, 2005 On January 27 1861 an Apache raiding party attacked John Ward's ranch in the Sonoita Valley of southeastern Arizona and carried off Ward's thirteen year old stepson Felix Telles Thus began a remarkable odyssey in which a young Mexican American boy was transformed into an Apache warrior and eventually served as Indian Scout for the U S Army Nicknamed Mickey Free after a popular fictional character he moved effortlessly between three cultures and became a major participant in the Southwest Indian conflicts In this thoughtful and engaging biography Allan Radbourne employs three decades of research in archival records printed sources and Apache oral tradition to tell the story of Mickey Free and the Indian Scouts who played hitherto unappreciated roles in the Apache wars of the 1870s and 1880s and the application of reservation policy **Fly leaf** **Old San Carlos** Paul R. Nickens, Kathleen Nickens, 2008 Established in 1873 the San Carlos Indian Agency provided a reservation for the areas Western Apache bands A U S Army post was created nearby to exert military control Together the original agency

and army post are known today as Old San Carlos From 1874 to 1877 the U S governments peace policy directed additional Apache groups and other regional natives to San Carlos Ensuing turmoil including renewal of traditional intergroup rivalries and rebellion against civilian and military control initiated the familiar Apache Wars These campaigns were fought through the 1870s and 1880s as Apache rebels intermittently broke from the reserve and returned to former haunts or sought refuge in northern Mexico By all accounts from white civilians military personnel and native people alike the San Carlos Agency and army post was an inhospitable locale compounded by recurring instability and conflict *Tomahawk Scout Field Manual* Thomas Moore, 2014-11 The Tomahawk scout Field Manual is inspired by the survival and wilderness skills of the U S Army Apache scouts who served in the Military until 1947 **An Apache Campaign in the Sierra Madre** John Gregory Bourke, 1886 An account of the 1883 expedition against the Chirichua Apaches **The Young Scout** Edward Sylvester Ellis, 1895 **General Crook and the Fighting Apaches** Edwin Legrand Sabin, 1918 *With Scouts and Cavalry at Fort Apache* H. B. Wharfield, 1965 As a first Lieutenant of cavalry Wharfield was sent in 1918 to Fort Apache Arizona one of the old frontier posts from which cavalry units had gone out in pursuit of restless Apache warriors He assumed command of a troop of the 10th Cavalry the famous African American regiment long active on the Southwestern frontier and a detachment of Apache Scouts **Outing**, 1885 **The Highway Magazine**, 1922 **Adventure**, 1922 [The Apache Rock Crumbles](#) Woodward B. Skinner, 1987 Book focuses on the Apache experiences in Alabama and Florida *Life of Tom Horn* Tom Horn, 1904 **Trailing Geronimo** Anton Mazzanovich, 1926 **Scouting on Two Continents** Frederick Russell Burnham, Mary Nixon Everett, 1926
