Apocalypse Troll:

The Apocalypse Troll David Weber, 2000-01-01 There he was in his sailboat in the middle of the Atlantic all alone and loving it Well there was a US Navy carrier group on his southern horizon but he was a Navy guy himself so he didn't mind Then came the UFOs hurtling in from the Outer Black to overfly the carriers at Mach 17 Their impossible aerobatics were bad enough but then they started shooting at each other And at the Navy With nukes Little ones at first but winding up with a 500 megatonner at 90 miles that fried every piece of electronics within line of sight Richard Ashton thought he was just a ringside observer to these now over the horizon events Until the crippled alien lifeboat came drifting down and homed in on his sailboat suddenly he has his hands full of an unconscious critically wounded and impossibly human alien warrior who also happens to be a gorgeous female That's when things got interesting At the publisher's request this title is sold without DRM Digital Rights Management a particular delight offering nonstop action that's both well executed and emotionally satisfying Publishers Weekly It's a rollicking fun tale that's impossible to put down Philadelphia Weekly Press the best work Weber has done the rewards are ample recommended Starlog House of Steel David Weber, 2013-05-15 An all-new David Weber Honorverse short novel _I Will Build a House of Steel chronicling the early days of the Manticoran Star Kingdom and the reign of King Roger Have you ever finished the latest Honor Harrington novel from David Weber and wished you could linger in Weber's Honorverse just a bit longer _ Now you can with this treasure trove of tech specs and insights on David Weber's mega best-selling Honor Harrington series _ Orbital characteristic of key planets regimental order of the Royal Navy backstory on the history and drama of the Star Kingdom's birth and early days you'll find it all here thoughtfully arranged by the Bureau 9 Weber research group and overseen by David Weber himself At the publisher's request this title is sold without DRM Digital Rights Management A Rising Thunder David Weber, 2012-03-01 Peril and strife strike on a double front for Honor Harrington and company After a brutal attack on the Manticoran home system Honor Harrington has rooted out a plan designed to enslave the entire human species Behind that plan lies the shadowy organization known as the Mesan Alignment Task number one for Honor is to shut down and secure the wormhole network that is the source of the Star Kingdom's wealth and power but also its greatest vulnerability Yet this is an act that the ancient and corrupt Earth-based Solarian League inevitably takes as a declaration of war The thunder of battle rolls as the Solarian League directs its massive power against the Star Kingdom And once again Honor Harrington is thrust into a desperate battle that she must win if she is to survive to take the fight to the real enemy of galactic freedom the insidious puppetmasters of war who lurk behind the Mesan Alignment At the publisher's request this title is sold without DRM Digital Rights Management **On Basilisk Station Second Edition** David Weber, 2024-06-04 Having made him look a fool she's been exiled to Basilisk Station in disgrace and set up for ruin by a superior who hates her Her demoralized crew blames her for their ship's humiliating posting to an out-of-the-way picket station The aborigines of the system's only habitable planet are smoking homicide

inducing hallucinogens Parliament isn't sure it wants to keep the place the major local industry is smuggling the merchant cartels want her head the star conquering so called Republic of Haven is Up To Something and Honor Harrington has a single over age light cruiser with an armament that doesn't work to police the entire star system But the people out to get her have made one mistake They've made her mad

Expert One-on-One Microsoft Access Application Development Helen Feddema, 2004-04-14 What is this book about If you are developing databases for your own use the process need not be complicated But when you build databases for clients many of whom may not be familiar with Access or comfortable with databases in general you have a lot more work to do Expert One on One Microsoft Access Application Development makes that process easier In these pages you discover how to set up tables and relationships to ensure that the database is properly normalized Then you write VBA code to create the connective tissue that turns a bunch of tables queries forms and reports into a complete and coherent application You also find out about the important but often inadequately documented area of Automation code which is used to communicate with other Office applications Over years of working with Access the author has created some add ins to save time when developing applications She shows you how to use them to create a main menu for an application automatically apply a naming convention to database objects and ensure a consistent and professional appearance of the application's forms This book helps you write VBA code that unites database components into an application that works What does this book cover Here's what you'll discover in this book How to build integrated Access based applications that support multiple clients and databases Tips for streamlining application creation Maintenance required throughout an application's life cycle including migrating data from legacy systems and upgrading Office How to use Automation code to exchange data among Office components and even some non Office programs Ways to avoid glitches when building Access applications that work with Excel Word and Outlook Who is this book for This book is for experienced Access users who are familiar with creating Access objects and writing VBA code but who need help transitioning from competent users programmers to full fledged Access developers

Old Soldiers David Weber, 2005-09-06 The sole survivors of the Dinochrome Brigade's 39th Battalion Captain Maneka Trevor and Bolo known as Lazarus are all that stand between a desperate secret colony of humanity and destruction of the human race

The Shadow of Saganami David Weber, 2004-11-01 STUDENTS OF HONOR The Star Kingdom of Manticore is once again at war with the Republic of Haven after a stunning sneak attack The graduating class from Saganami Island the Royal Manticoran Navy's academy are going straight from the classroom to the blazing reality of all out war Except for the midshipmen assigned to the heavy cruiser HMS Hexapuma that is They're being assigned to the Talbott Cluster an out of the way backwater far from the battle front The most they can look forward to is the capture of the occasional pirate cruiser and the boring duty of supporting the Cluster's peaceful integration with the Star Kingdom at the freely expressed will of eighty percent of the Cluster's citizens With a captain who may have seen too much of war and a station commander who isn't precisely noted for his brilliant and

insightful command style it isn't exactly what the students of Honor Harrington the Salamander expected. But things aren't as simple or tranquil as they appear. The pirates they encounter aren't what they seem and the peaceful integration they expected turns into something very different. A powerful alliance of corrupt Solarian League bureaucrats and ruthless interstellar corporations is determined to prevent the Cluster's annexation by the Star Kingdom by any means necessary. Pirates, terrorists, genetic slavers, smuggled weapons, long-standing personal hatreds, and a vicious alliance of corporate greed, bureaucratic arrogance, and a corrupt local star nation with a powerful fleet are all coming together, and only Hexapuma, her war-weary captain, and Honor Harrington's students stand in the path. They have only one thing to support and guide them: the tradition of Saganami. The tradition that sometimes a Queen's officer's duty is to face impossible odds and die fighting. At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Apocalypse Troll David Weber, 1999

Sailing the Atlantic, Richard Ashton witnesses a fleet of UFOs descend to battle a Navy carrier group, leaving behind a seemingly human, attractive alien with an implacable foe.

At All Costs David Weber, 2005-10-25

Honor Harrington has been called to command Eighth Fleet against the Republic of Haven, but when she discovers the Star Kingdom is badly outnumbered by the Republic's fleet, the cost of victory will be agonizingly high.

Kliatt Young Adult Paperback Book Guide, 2000

March to the Sea David Weber, John Ringo, 2001-05-01

SOME DAYS IT JUST DOESN'T PAY TO GET OUT OF YOUR SLEEPING BAG. The successor to *March Upcountry*. It wasn't so much that Prince Roger and his surviving remnant of elite bodyguards are marooned on a barbarian planet. Or that they have been on continuous operations for so long they are getting shocky. Or that they still have half a planet to cross. Or that they are basically out of ammunition for their plasma and bead rifles and just about out of cash. Sure, those are all problems, but they're not the real problem. No, the problem is Roger is in love. With one of his bodyguards. And the romance is not going well. Damnbeast. Sure. Vampiric moths. Okay. Screaming waves of barbarians. No problem. But when you have Nimashet Despreaux and Prince Roger Ramius. Sergei Chiang MacClintock at sword's point, that's real danger. And it's just the beginning. To get to the distant port that is their only way off the planet, they'll be forced to battle enraged monsters, displaced mercenaries, religious fanatics, and a barbarian horde to shame the Huns. Along the way, they'll have to recreate the Reformation, the Renaissance, and the Industrial Revolution. And do it all in a context their four armed, horned, grizzly bear-sized native allies can handle. It will strain all their experience and knowledge, as the most elite, the most multitalented, and above all, the toughest bodyguards in human space. But the really hard part will be keeping Roger and Nimashet from killing each other. At the publisher's request, this title is sold without DRM (Digital Rights Management).

In Death Ground Steve White, David Weber, 1997-05-01

Five thousand years after Sun Tzu wrote *The Art of War*, his advice is followed during the Fourth Interstellar War between the terrible Bugs and the humans, who are aided by their catlike Orion allies.

Appalachian Heritage, 1999
