Applied Ethics In Student Services:

Applied Ethics in Student Services Harry J. Cannon, Robert D. Brown, 1985-06-06 It is our intent in this volume of *New Directions for Student Services* to encourage examination of the ethical quality of practices in the student services professions to use professional ethical codes as reference points to understand how individual codes differ from one another and why those differences may have arisen to explore the application of ethical principles to ethical decision making to apply some role definitions and see how their descriptors affect our meeting of ethical responsibilities to one another and in general to elevate our inquiry into ethical matters to levels above the minima criteria required by laws and our formal codes Two critical assumptions apply to the text First student services are provided in the context of facilitating the intellectual and personal growth of our student clientele Second the maintenance of an ethical climate is a necessary precondition for accomplishment of developmental tasks This is the 30th issue of *New Directions for Student Services* For more information on the series please see the Journals and Periodicals page [*Applied Ethics in Student Services*](#) Harry J. Cannon, Robert D. Brown, 1985-06-06 It is our intent in this volume of *New Directions for Student Services* to encourage examination of the ethical quality of practices in the student services professions to use professional ethical codes as reference points to understand how individual codes differ from one another and why those differences may have arisen to explore the application of ethical principles to ethical decision making to apply some role definitions and see how their descriptors affect our meeting of ethical responsibilities to one another and in general to elevate our inquiry into ethical matters to levels above the minima criteria required by laws and our formal codes Two critical assumptions apply to the text First student services are provided in the context of facilitating the intellectual and personal growth of our student clientele Second the maintenance of an ethical climate is a necessary precondition for accomplishment of developmental tasks This is the 30th issue of *New Directions for Student Services* For more information on the series please see the Journals and Periodicals page

[Ethics for Today's Campus](#) Jane Fried, 1997-06-06 Professional ethics creates an imperative for student services practitioners to consider their work in the light of its potential consequences for themselves their institutions their students and their colleagues All professions are characterized by their willingness to establish codes of ethics and to educate and oversee practitioner compliance On today's multicultural campuses many ethical systems are in contact and in conflict on both personal and professional levels This volume examines some of the emerging ethical systems that challenge or complement the system used in student affairs over the past several decades This is the 77th issue of *New Directions for Student Services* For more information on the series please see the Journals and Periodicals page [The Handbook of Student Affairs Administration](#) George S. McClellan, Jeremy Stringer, 2011-01-11 What issues and trends affect higher education and student affairs today In this fully updated handbook leading experts discuss the answer to this and other essential questions They provide a definitive reference for student affairs professionals at all levels of administration and

management The handbook offers specific practical advice as well as broad approaches to planning and problem solving It contains modernized discussions on such critical topics as institutional mission institutional governance understanding campus environments finance and budgeting assessment program planning staff selection training and evaluation and much more Learning Through Supervised Practice in Student Affairs Diane L. Cooper, Sue A. Saunders, Roger B. Winston, Jr., Joan B. Hirt, Don G. Creamer, Steven M. Janosik, 2013-08-21

Developed for use by graduate students preparing for careers in higher education administration who are enrolled in practicum and internship courses in higher education administration or student affairs programs **Applied Ethics for Program Evaluation** Dianna L. Newman, Robert D. Brown, 1996 How can an evaluator deal with ethical value issues in a way that does not smack of ethical imperialism or a knee jerk prescriptive stance Applied Ethics for Program Evaluation is aimed at sensitizing evaluators potential clients and stakeholders in program evaluation Through use of vignettes the authors provide the readers with ethical dilemmas and questions to stimulate thinking about the positive and negative consequences of each option Following an introduction to ethical theories and principles the authors propose a framework based on Kitchner s five ethical principles that can be used in weighing these options The book concludes by providing valuable suggestions on how evaluators can make informed ethical decisions in their own evaluation practice *Student Services* Susan R. Komives, 1996-05-03

Originally published in 1980 the first edition of Student Services was a ground breaking book providing the first comprehensive overview of student services in higher education Now this new third edition of the green book that has guided student affairs graduate education and practice for the last fifteen years provides an updated look at every aspect of the field The authors examine the changing context of the student experience in higher education the evolution of the role in student affairs professionals and the ethics and philosophies that guide the practice of student affairs work **The Professional Student Affairs Administrator**

Roger B. Winston, Don G. Creamer, Theodore K. Miller, 2013-08-21 Styled as a complete update to the 1991 book Administration and Leadership in Student Affairs this work addresses issues of importance to student affairs professionals Grounded in human development learning leadership group dynamics management theories and social science research and evaluation methods this book articulates the means for college student affairs administrators to function in the forefront of student learning and personal development initiatives The book focuses on the three essential roles played by student affairs administrators as educators who play a significant role in addressing the academic goals of their institutions as leaders who help to shape the vision of their institution s student affairs practice and education mission and as managers who are responsible for co ordinating programs and services supervising staff and overseeing university facilities and budgets

The Handbook of Student Affairs Administration Margaret J. Barr, Mary K. Desler, 2000-03-17 Sponsored by the National Association of Student Personnel Administrators What issues and trends affect higher education and student affairs today What skills and competencies will student affairs administrators need to confront change and future challenges What

opportunities and choices will they discover as they strive to develop professionally In this fully updated handbook thirty nine experts discuss the answers to these and other essential questions Together they provide a definitive reference for student affairs professionals at all levels of administration and management Organized into five distinct sections and over thirty insightful chapters The Handbook of Student Affairs Administration offers specific practical advice as well as broad approaches to planning and problem solving Readers will find modernized discussions on such critical topics as institutional mission strategic planning change management finance and budgeting staff selection training and evaluation conflict resolution fundraising legal and ethical behavior service development technological innovation diversity leadership and more In addition there are new chapters that explore The history and philosophy of student affairs How to plan and finance campus facilities The role and value of assessment in student affairs How to translate theory and assessment results into practice How to create successful partnerships with academic affairs The impact of fundraising and development The standards and principles of good professional practice Filled with thoughtful advice from the field s foremost authorities this comprehensive handbook reflects the most current and effective practices in college student affairs Praise for the Classic First Edition Each chapter is designed to stand alone as a source of information for new chief student affairs officers individuals new to the student affairs field doctoral students chief student affairs officers seeking professional renewal college presidents and other administrative officers who want to know more about student affairs work Many of the chapters in this handbook are filled with ah hahs quiet smiles and those private revelations that people have when reading an insightful statement they wish they themselves had made As is true for most of the Jossey Bass professional handbooks each chapter stands alone and offers varying degrees of information and usefulness Journal of Higher Education The authors address the critical issues and skills necessary for higher education administration The book covers a wide range of topics that would be appropriate for the beginning administrator as well as the seasoned veteran The essays provide information on the practical day to day activities of higher education administration as well as the more abstract concepts of strategic decision making and the political realities that surround university life The book is recommended it has such a broad brush approach that it is practical for an introductory course in higher education as well as a solid reference for the practicing administrator Choice [Student Services](#) ,1988 [Key Resources on Student Services](#) Albert B. Hood,Cathann Arceneaux,1990-03-09 This is an authoritative annotated guide to key monographs books and journals on the multifaceted field of student services and student development within colleges and universities This book provides a convenient reference to the most significant literature published since 1980 [Effective Leadership in Student Services](#) Linda M. Clement,Scott T. Rickard,1992-10-07 Based on a study of over two hundred vice presidents deans and directors of student services programs the book reveals the attributes skills and relationships necessary for successful leadership in student services Exemplary leaders in the profession offer pragmatic advice and often inspirational insights on a wide range of issues from

their basic philosophies of leadership to how to manage such crises as campus protests or the death of a student *Using Professional Standards in Student Affairs* William A. Bryan, Theodore K. Miller, Roger B. Winston, 1991 *Student Services in a Changing Federal Climate* Michael D. Coomes, 1994 Every aspect of campus life is affected by federal policy The federal government has become a significant force in the creation of individual campus policies Student affairs administrators must understand the nature of this federal intervention This volume of *New Directions for Student Services* provides an overview of the development of federal intervention and how the rationale for that involvement has changed over time The laws affecting student life on campus are also examined to help student affairs administrators understand the various mandates they must comply with on a daily basis This sourcebook also explains the federal policy process so that campus administrators can more effectively exercise their rights to influence that process Strategies are provided for administrators who must implement federal mandates on campus as well as warnings to be on guard against the loss of their liberties by overzealous federal enforcers This is the 68th issue of the quarterly journal *New Directions for Student Services* For more information on the series please see the Journals and Periodicals page *Student Affairs Research, Evaluation, and Assessment: Structure and Practice in an Era of Change* Gary D. Malaney, 1999-04-13 Representing the most major effort to date to examine the student affairs research office this issue of *New Directions for Student Services* shows how this research can enhance and support the work of the student services staff and the campus at large The contributors describe how student affairs and faculty can collaborate to create an agenda for student related research review technological aids for collecting and analyzing data and discuss how student affairs researchers can make their role more vital to the campus by expanding into policy analysis and information brokering The volume also reports the results of a national study of thirty five centralized student affairs research offices including information on the types of research they have conducted and how institutional reorganization has impacted their research missions This is the 85th issue of the quarterly journal *New Directions for Student Services* **Assessment Practice in Student Affairs** John H. Schuh, M. Lee Upcraft, 2001 When *Assessment in Student Affairs* was first published in 1996 readers found a practical context for viewing the power of assessment across the domain of student services Since then John H Schuh and M Lee Upcraft have received numerous requests for more specific guidance to assessing and communicating the value of student affairs This manual continues the work begun in their earlier book and provides a full range of tools for conducting effective assessments The authors begin with an overview of the assessment process and then detail a range of methodologies approaches and issues explaining how to use them and when to recruit expertise from other campus sources Drawing from the latest practice and a wealth of case studies they discuss Qualitative assessment including how to conduct focus groups Quantitative assessment including how to select and design instruments Data collection and analysis including mailed questionnaires telephone surveys and Web based surveys Assessing diverse needs satisfaction outcomes environments cost effectiveness and accreditation Specialized

assessment studies including how to review dropouts graduates academic success and group educational programs Select programs in student services including first year programs recreation programs financial aid admissions residence halls college unions health services career services counseling services judicial affairs and Greek life Organizational and ethical approaches to assessment *Handbook of Academic Advising* Virginia N. Gordon,1992-08-24 The increase in diverse student populations and the growing complexity of higher education have made academic advising a critical component of student success This comprehensive professional reference overviews academic advising as a function and a process Practitioners will find much valuable information on the intricacies of student advising and administrators will find a thorough treatment of the functions necessary for the effective delivery of this important service The handbook gives special attention to the needs of particular student populations and offers considerable coverage of academic advising as a profession The book begins with a thoughtful glance at the history and development of advising It then turns to some of the significant administrative matters related to the successful delivery of this service The following chapter considers the essential skills and materials needed by academic advisers of all types Because of the importance of college as preparation for a vocation a chapter explores the link between career counseling and other forms of advising A lengthy discussion of the needs of disabled students adult students and other special populations follows along with a look at the needs of specific racial and ethnic groups The closing chapters treat important professional issues including evaluation and professional development Counselors administrators and all those involved in the academic advisory process will find this book a much needed reference tool *New Futures for Student Affairs* Margaret J. Barr,M. Lee Upcraft,1990-11-14 This book brings together sixteen student affairs experts to identify how student affairs professionals can shape and direct their field to meet the future challenges and needs of students society and higher education **Student Services** Ursula Delworth,Gary R. Hanson,1989-06-09 Student Services updates the best selling first edition to provide student services professionals with the comprehensive information they need to successfully plan coordinate deliver and evaluate student services programs It includes new chapters that cover such increasingly important topics as legal issues ethics and standards and outcomes assessment *Student Records Management* M. Therese Ruzicka,Beth L. Weckmueller,1997-12-09 These essays covering a wide range of issues pertaining to student records management will be of interest to both novices and seasoned professionals in a variety of offices at colleges and universities
