Investing In Islamic Funds Noripah Kamso,2013-05-13 A guide to Islamic investment opportunities from the CEO of the world s leading Islamic finance bank Offering an insider s perspective on a rapidly growing sector of the financial industry Investing in Islamic Funds details the basic principles of Islamic investing for Muslims and non Muslims alike It explains how Islamic equity and fixed income products differ from traditional funds and how they deliver excellent results while still conforming to Sharia principles Using hard data from the last six years the book also reveals how Islamic funds have offered predictable reliable returns in volatile markets and turbulent financial times For institutional investors as well as sophisticated individual investors the book serves

as an excellent introduction to the subject and surveys the full range of products available. Additionally, the book will arm financial services professionals with the knowledge they need to explain this new investment opportunity to clients. One of the few books available that offers comprehensive data on the performance of Islamic funds in addition to the underlying theory that governs them. Written by the CEO of CIMB Principal Islamic Asset Management, the world's leading Islamic finance bank. Features charts, case studies, comparative analysis, and a tabular data format. Debunks the misconceptions traditional investors may have about the profitability of Islamic funds. For professional and institutional investors, as well as private investors looking for new opportunities. Investing in Islamic Funds offers a much-needed primer on this fast-growing market.

Trustee Investment Strategy for Endowments and Foundations Chris Russell, 2006-07-24. Trustees are responsible for the stewardship of assets and for implementing the mission of their endowment or foundation. Almost invariably, trustees delegate the management of those assets to agents who are investment professionals. In this increasingly sophisticated and litigious financial world, there can be a growing gap of comprehension exacerbated by mathematics and jargon between trustees who are responsible and agents who are accountable. This book aims to fill that gap. The book draws on the author's own experience and research and that of generations of investment professionals and academics to explain the fundamentals of investment strategy. Key features are therefore: Foreword by George Keane, founder and former president of Commonfund, won the first ever Lifetime Achievement Award from Foundation Endowment Money Management, one of the icons of endowment fund management in the US. Aimed

at professional trustees An holistic approach to strategy Avoidance of jargon and mathematics Focus on principles underlying asset strategy Forbes ,1923 Securities Regulation John C.
