Cult Tv The Essential Critical Guide:

Cult TV Jon E. Lewis, Penny Stempel, 1996 From Emergency Ward 10 to ER and Quatermass to the X Files cult television programmes have held viewers in their thrall for 40 years In the 90s satellite broadcasters have fuelled viewers hunger for cult shows while the terrestrial stations have muscled in with timewarp re runs and new classics Shows that a few years ago could only be played in the memory are back to entertain new audiences as well as those who remember their first time on air

Cult TV Jon E. Lewis, 1996 **Fan Cultures** Matthew Hills, 2003-09-02 Emphasising the contradictions of fandom Matt Hills outlines how media fans have been conceptualised in cultural theory Drawing on case studies of specific fan groups from Elvis impersonators to X Philes and Trekkers Hills discusses a range of approaches to fandom from the Frankfurt School to psychoanalytic readings and asks whether the development of new media creates the possibility of new forms of fandom Fan Cultures also explores the notion of fan cults or followings considering how media fans perform the distinctions of cult status

The Television Studies Reader Robert Clyde Allen, Annette Hill, 2004 The Television Studies Reader brings together key writings in the expanding field of television studies providing an overview of the discipline and addressing issues of industry genre audiences production and ownership and representation The Reader charts the ways in which television and television studies are being redefined by new and alternative ways of producing broadcasting and watching TV such as cable satellite and digital broadcasting home video internet broadcasting and interactive TV as well as exploring the recent boom in genres such as reality TV and docusoaps It brings together articles from leading international scholars to provide perspectives on television programmes and practices from around the world acknowledging both television s status as a global medium and the many and varied local contexts of its production and reception Articles are grouped in seven themed sections each with an introduction by the editors Institutions of Television Spaces of Television Modes of Television Making Television Social Representation on Television Watching Television Transforming Television

A History and Critical Analysis of Blake's 7, the 1978-1981 British Television Space Adventure John Kenneth Muir, 2015-09-15 Blake s 7 Terry Nation s science fiction tale of cosmic freedom fighters became a hit series in Great Britain when it premiered in 1978 Eight years later the show quickly became a cult program in America A dramatization of futuristic outlaw heroes who defend the innocent from both alien and human conquering forces the series might better be said to be equal parts Robin Hood and The Magnificent Seven The series defied traditional genre elements of science fiction television and developed the concept of the continual story arc years before such shows as Babylon 5 and Deep Space Nine This book provides a critical history and episode guide for Blake s 7 including commentaries for all 52 episodes Also included are analytical essays on the show dealing with such topics as themes imagery and story arc a consideration of the series as a futuristic Robin Hood myth cinematography and visual effects and an overview of Blake s 7 in books comics and videos A detailed appendix lists the genre conventions found in the series The author also includes information about Blake s 7 fan

clubs and Internet sites **Queer TV** Nancy San Martin,2002 *Terry Nation* Jonathan Bignell,Andrew O'Day,2004 This is the first in depth study of the science fiction television devised and written by Terry Nation Terry Nation was the inventor of the Daleks and wrote other serials for Doctor Who he also wrote the BBC s 1970s post apocalyptic drama Survivors and created the space adventure series Blake s 7 Previously television science fiction in Britain has received little critical attention This book fills that gap and places Nation s work in the context of its production Using Terry Nation s science fiction work as a case study the boundaries around the authorship and authority of the television writer are explored in detail The authors make use of BBC s archival research and specially conducted interviews with television producers and other production staff to discuss how the programmes that Terry Nation created and wrote were commissioned produced and brought to the screen The book makes an important contribution to the study of British television history and will be of interest to enthusiasts of Terry Nation s landmark drama series as well as students of Television Studies **Mrs Slocombe's Pussy** Stuart Jeffries,2000 For most of us sitting in our living rooms looking for an excuse not to talk to each other of a Thursday night a million million miles away from moon landings and Cold War tension and Third World famine it is the addiction to a little flickering box in the corner that has shaped our lives since the late 1950s Tele-visions Glen Creeber,2006-03-17 *Tele Visions* An Introduction to Studying Television Studies has been specifically designed to offer a comprehensive authoritative accessible and lively introduction to the subject of television studies Written by many of the leading international figures in the field it covers all the major issues debates key terms histories and methodologies that go to make up this exciting new area of expertise Skilfully illuminated through actual programmes detailed case studies and recommended readings it will offer an invaluable insight into how television is produced broadcast controlled consumed and critically examined From textual analysis to audience studies from studying drama to studying documentary from policy and regulation to regionality and globalisation from authorship to ideology from modernism to postmodernism from aesthetics to fandom from histories to futures this book offers an expansive and clearly structured account of both how and why we study television Unapologetically ambitious *Tele Visions* will both explain and expand our knowledge of the subject clarifying traditional areas of debate while also setting out new agendas and critical possibilities It is an essential book for anyone studying television and the media today Fully illustrated it includes selected reading guides and full bibliographies that will help students at all levels **Australian Television** Alan McKee,2001 This is the first book to present a history of Australian television in which the programs themselves are the main focus of attention In addition to providing an invaluable and comprehensive archive of information for anybody interested in the history of the medium the book raises important questions about the ways in which we think about television *The Avengers* Toby Miller,1997-09-26 Author focuses in detail on the texts of the series their broadcast contexts and their subsequent reception and interpretation He probes the key themes pop fashion sex and the postmodern and drawing on the opinions of numerous fans establishes what made the series

such a success *Portmeirion* Jan Morris, 2006 The Times called Portmeirion the last folly of the Western World while the Guardian saw it as a giant gnomes village For eccentric architect Clough Williams Ellis the man who designed and built the resort it was propaganda for good manners a statement of how planned development could enhance rather than destroy its environment And for the quarter of a million visitors a year who make the trip to this Italianate village in North West Wales it is quite simply one of the most magical places on Earth It was here Noel Coward wrote his comedy *Blithe Spirit* Patrick McGoohan filmed the legendary 1960s TV series *The Prisoner* and George Harrison celebrated his 50th birthday It is the kind of place where Larry Adler gave informal concerts to other guests and hotel staff Ingrid Bergman could be found talking movies with Bertrand Russell and where royalty from Edward VIII to King Zog of Albania would join the general public in seeking escape from the modern world Here too was born the world famous Portmeirion Pottery founded by Clough's daughter Susan William Ellis and still one of Britain's leading ceramics companies nearly a half century on The book *Portmeirion* is published to celebrate the 80th anniversary of the opening of the resort in 1926 Lavishly illustrated with many unpublished and rare photographs plans and drawings it is the first book to cover the whole story of the village the extensive gardens both at Portmeirion and Plas Brondanw the Williams Ellis family home Portmeirion Pottery as well as Clough himself 250 colour 63 b/w illustrations

Masters of Animation John Grant, 2001 This text looks at the careers and work of some thirty of the greatest masters of the art of animation from Winsor McCay Disney and the Fleischers through to Svankmajer and Jim Henson

The British National Bibliography Arthur James Wells, 2004 *Letters to Ambrose Merton*, 2002

Pop Surf Culture Brian Chidester, Domenic Priore, 2008 From the Publisher From original beachcomber personalities like the Waikiki Beachboys to the rise of Venice Beach as a creative center for music art and film this insightful chronicle traces the roots of the surf boom and explores its connection to the Beat Generation and 1960s pop culture Through accounts of key figures both obscure and popular such as Mike Dormer Rick Griffin the Trashwomen and the Beach Boys the book illustrates why surf culture is a vital art movement of the 20th century The entire spectrum of pop culture is covered including discussions of the advent of surf magazines and the immense popularity of the beach movies starring Annette Funicello and Frankie Avalon
