Cultivating Sacred Space:

Cultivating Sacred Space Elizabeth Murray, 1997 Linda Greenlaw hadn't been blue water fishing for ten years since the great events chronicled in *The Perfect Storm* and *The Hungry Ocean* when an old friend offered her the captaincy on his boat *Seahawk* for a season of swordfishing. She took the bait of course and thus opened a new chapter in a life that had already seen enough adventure for three lifetimes. The *Seahawk* turns out to be the rustiest of buckets with sprung busted and ancient equipment guaranteed to fail at any critical moment. Life is never dull out on the Grand Banks and no one is better at capturing the flavor and details of the wild ride that is swordfishing from the technical complexities of longline fishing and the nuances of reading the weather and waves to the sheer beauty of the open water. The trip is full of surprises a bit harder and saltier than I had hoped for but none more unexpected than when the boat's lines inadvertently drift across the Canadian border and she lands in jail. *Seaworthy* is about nature human and other about learning what you can control and what you do when fate takes matters out of your control. It's about how a middle aged woman who sets a high bar for herself copes with challenge and change and frustration about the struggle to succeed or fail on your own terms and above all about learning how to find your true self when you're caught between land and sea. [Sacred Space](#) Mercy Hope, 2019-04-25 There is a hidden place inside each one of us. Like a secret walled garden where we are meant to meet with the One who created us. Discovering and cultivating that sacred space is what this book is about. Today is the day to begin reclaiming the depth of relationship that is meant to be yours with your Creator.

When Every Space Is Sacred Craig J Sefa,2023-03-20 Surely the Lord is in this place and I did not know it Genesis 28 16 In a world that often seems to be burning around us both literally and figuratively it is difficult to notice a single burning bush In a world deafened by the noise of the loudest and most powerful voices the still small voice of the Holy Spirit all but disappears Yet God continues to speak in the stillness in the silence and in the quiet out of the way places so few dare to walk let alone take off their shoes What will it take to notice What will it take to pay attention and stay awake to God s presence in our midst And what will it take for the church to recover her role as sacred space where all people can drink deeply from the fountain of living water flowing forth from the loving presence of her creator
