Cultural Disconnections:

Discovering Theory in Clinical Practice Rhonda Peterson Dealey, Michelle R. Evans, 2020-11-29 This theory focused casebook provides the reader with an overview of multiple counseling theories and utilizes specific cases representing a variety of clients to demonstrate the integration of theory in clinical counseling and social work practice Through the use of dynamic cases the reader is shown how theory informs day to day practice Each theoretical case study includes a section on cultural considerations and discussion questions Object Relations Theory The Case of Elyse Self Psychology Theory The Case of Evan Person Centered Therapy The Case of Tommy Solution Focused Brief Therapy The Case of Jim Relational Cultural Theory The Case of Monica Systems Theory The Case of Esperanza Experiential Therapy The Case of Sam Discovering Theory in Clinical Practice A Casebook for Clinical Counseling and Social Work Practice is an essential text for instructors to teach the development of a theoretical foundation that easily integrates into core topics of relevance for graduate students in social work counseling psychology marriage and family therapy and human behavior who intend to work with a diverse set of client populations The book also will be a great asset to early career practitioners and clinical supervision participants who are continuing to build a professional working template of skills in both theory and practice as they conceptualize patient problems and develop treatment plans

Professional Development in Relational Learning Communities Miriam B. Raider-Roth, 2017 In this book Raider Roth offers an innovative approach to teacher professional development that builds on the intellectual strength and practical wisdom of practitioners Focusing on nurturing relationships between and among participants facilitators subject matter texts and the school environment this book helps educators create a repertoire of teaching approaches founded on sustained deep democratic local and active learning The author demonstrates that within the context of trustworthy relationships teachers can better connect with all that they know about teaching learning and their own identities This in turn enables them to act on what they know in the best interest of their students and leads to the kinds of lasting change and commitment that can move the teaching profession beyond training for a particular skill set Book Features Examples showing how the work of relational learning communities can improve teachers practice A focus on the cultural dimension in professional development for teachers A view of teaching and learning as deeply relational and transformative Strategies to help facilitators and participants create processes to best support a fertile learning environment An effective and powerful antidote to the usual models of PD Professional Development in Relational Learning Communities is a thoughtful and engaging text that takes seriously the intellectual work of teachers and the importance of relationships in teacher learning Curt Dudley Marling professor emeritus Boston College

Non-Suicidal Self-Injury Kelly L. Wester, Heather C. Trepal, 2016-12-19 Grounded in a wellness strengths based and developmental perspective Non Suicidal Self Injury is the ideal guide for counselors and other clinicians seeking to understand self injurious behaviors without pathologizing them The book covers topics not previously discussed in other works including working with families

supervising counselors working with clients who self injure DSM 5 criteria regarding the NSSI diagnosis NSSI as a protective factor for preventing suicidal behavior and advocacy efforts around NSSI In each chapter clinicians will also find concrete tools including questions to ask psychoeducational handouts for clients and their families treatment handouts or treatment plans for counselors and more Non Suicidal Self Injury also includes real life voices of individuals who self injure as well as case vignettes to provide examples of how theoretical models or treatments discussed in this book immediately apply to practice

The Emotionally Connected Classroom Bill Adair,2019-02-15 Engineer healthy interactions and repair dysregulation Suicide rates ADHD diagnoses gaming addiction and adolescent depression are increasing exponentially It s difficult to ignore the number of children burdened by stress anxiety and unhealthy beliefs Students struggle to cope in ways that reinforce labels defining them as difficult to teach However the brain is malleable and new experiences can rewrite the story The Emotionally Connected Classroom helps educators create environments that promote healthy attachments and repair neural dysregulations that impair learning capacity Readers will find User friendly explanations of neuroscience and human behavior Strategies and assessment tools to help teachers shift from content focused learning and assessment to learning that prioritizes wellness Lesson templates to help train the brain Strategies to address dysfunctional behavior Engaging stories and authentic case studies that bring theory to life Written with the belief that educators play a critical role in students lives this book offers a new paradigm of connectedness that allows teachers to develop social emotional learning practices that benefit all of their students *Research & Action Report* ,2004

The Business Romantic Tim Leberecht,2015-01-06 In this smart playful and provocative book one of today s most original business thinkers argues that we underestimate the importance of romance in our lives and that we can find it in and through business by designing products services and experiences that connect us with something greater than ourselves Against the backdrop of eroding trust in capitalism pervasive technology big data and the desire to quantify all of our behaviors The Business Romantic makes a compelling case that we must meld the pursuit of success and achievement with romance if we want to create an economy that serves our entire selves A rising star in data analytics who is in love with the intrinsic beauty of spreadsheets the mastermind behind a brand built on absence an Argentinian couple who revolutionize shoelaces the founder of a foodie oriented start up that creates intimate conversation spaces a performance artist who offers fake corporate seminars for real professionals these are some of the innovators readers will meet in this witty deeply personal and rousing ramble through the world of Business Romanticism The Business Romantic not only provides surprising insights into the emotional and social aspects of business but also presents Rules of Enchantment that will help both individuals and organizations construct more meaningful experiences for themselves and others The Business Romantic offers a radically different view of the good life and outlines how to better meet one s own desires as well as those of customers employees and society It encourages readers to expect more from companies to give more of themselves and to fall back in love with their work and their lives

Diversity Disconnects Mercedes Lynn De Uriarte,2003 Transition of Secondary Students with Emotional Or Behavioral Disorders Douglas Cheney,2004 **CLA Journal** ,2016 **Working from Within** Luis Urrieta,2009-06-13 Combining approaches from anthropology and cultural studies Working from Within examines how issues of identity agency and social movements shape the lives of Chicana and Chicano activist educators in U S schools Luis Urrieta Jr skillfully utilizes the cultural concepts of positioning figured worlds and self authorship along with Chicano Studies and Chicana feminist frameworks to tell the story of twenty four Mexican Americans who have successfully navigated school systems as students and later as activist educators Working from Within is one of the first books to show how identity is linked to agency individually and collectively for Chicanas and Chicanos in education Urrieta set out to answer linked questions How do Chicanas and Chicanos negotiate identity ideology and activism within educational institutions that are often socially culturally linguistically emotionally and psychologically alienating Analyzing in depth interviews with twenty four educators Urrieta offers vivid narratives that show how activist identities are culturally produced through daily negotiations Urrieta s work details the struggles of activist Chicana and Chicano educators to raise consciousness in a wide range of educational settings from elementary schools to colleges Overall Urrieta addresses important questions about what it means to work for social justice from within institutions and he explores the dialogic spaces between the alternatives of reproduction and resistance In doing so he highlights the continuity of Chicana and Chicano social movement the relevance of gender and the importance of autochthonous frameworks in understanding contemporary activism Finally he shows that it is possible for minority activist educators to thrive in a variety of institutional settings while maintaining strong ties to their communities

Disconnecting Parties W. Brooke Tunstall,1985 **Between a Rock and a Hard Place** Jodie A. Galosy,2005

African Religious Influences on Three Black Women Novelists Maria T. Smith,2007 This study focusing on select novels by women writers of the African Diaspora illustrates that a surprising degree of commonality exists among works with obvious geographical cultural and linguistics differences an affirmation of the philosophical essence of the Vodun religion as an antidote to Western spiritual and cultural moribundity A close reading Zora Neale Hurston s *Their Eyes Were Watching God* Simone Schwarz Bart s *Pluie et Vent sur Telum e* *Miracle* and Paule Marshall s *Praisesong for the Widow* demonstrates the way in which these works allude to the Vodun pantheon and ancestor veneration in order to valorize a worldview that recognizes the interconnectedness of all living things visible and invisible This is accomplished by locating each novel within its socio political context and developing African diasporic literary tradition wherein African derived beliefs have become sources of cultural resistance After this reconstruction the author is able to explicate the representation and function of Vodun as it is employed by each of the authors under consideration *Latino Studies Journal* ,1994 **The Impact of Adoption on Members of the Triad** Madelyn Freundlich,Joy Kim Lieberthal,2001 The controversies in adoption have extended across a spectrum of policy and practice issues and although the issues have become clear resolution has not been

achieved nor has consensus developed regarding a framework on which to improve the quality of adoption policy and practice This book is the third in a series to use an ethics based framework for analyzing and resolving these complex challenges in adoption while avoiding the divisiveness that has heretofore impeded their resolution This book presented in four parts focuses on the many ways that adoption may affect each member of the adoption triad Part 1 presents information on the historical context of adoption in the United States from colonial times through the current day Part 2 examines the impact of adoption on the adopted person and considers children s and adolescents adjustment and well being adolescents identity formation adult adoptees access to information and adoptees searches and reunions with biological parents Part 3 considers the impact of adoption on birth parents including the individual s sense of personal integrity and well being related to open adoption practices and involuntary termination of parental rights Part 4 examines the impact of adoption on prospective adoptive parents adoptive parents and adoptive families focusing on the psychological and social processes involved in becoming adoptive parents the processes involved in being approved to parent and issues related to adoptive parents right to adopt and decisions to adopt particular children Contains 394 references KB The Political Economy of Ethiopia Marina Ottaway,1990-08-24 The essays collected here evolved from a two day conference on Ethiopia held at the Johns Hopkins School for Advanced International Studies Written by both academics and Ethiopians who have participated personally in the events they discuss the papers describe and interpret the Ethiopian revolution and explore its successes failures and intrinsic qualities The contributors express a variety of viewpoints and approaches to the current crisis situation in Ethiopia demonstrating that although the 15 year revolution has failed to measurably improve the lot of Ethiopians Ethiopia s history demographics and climate have also been important contributing factors A number of articles deal with aspects of the political crisis while others analyze the economic crisis looking at present problems and their historical roots Taken together these essays make a major contribution to our understanding of the persistent problems faced by Ethiopia today Following the editor s introduction the volume is divided into three sections In Part I four papers explore the Ethiopian state and the problem of power Individual chapters examine such issues as change and continuity in Ethiopian politics decisions and elections and the question of rural transformation Part II looks at different facets of the national question now or in the past the character of the leadership the concept of government and the decision making process The third section analyzes the current economic crisis in two papers which discuss Ethiopia s agricultural crisis and development strategy The concluding chapter presents an overall perspective on revolution nationality and the Ethiopian state Students of political economy African studies and economic development will find The Political Economy of Ethiopia illuminating reading
