Cultural Authority In Golden Age Spain:

Cultural Authority in Golden Age Spain Marina Scordilis Brownlee, Hans Ulrich Gumbrecht, 1995 Over the past several years a series of extraordinary cutting edge developments have taken place in Golden Age Spanish studies Important new issues have been addressed and conceived in innovative ways questions of gender and sexuality concepts of self and other political and social contexts of literary production and reception While these investigations have already begun to have a significant impact on our current reconceptualization of culture in general and Spanish culture in particular they have until now been somewhat overly dispersed even fragmented in large part because of their very nature as rethinkings as experimental The present volume constitutes a collective examination of these kinds of key cultural issues within the historically specific context of Golden Age Spain configured around the central question of authority Marina S Brownlee from the Preface In a wide ranging series of essays the contributors to this volume bring recent critical and theoretical perspectives to bear on our understanding of culture in Golden Age Spain focusing on the related notions of authority authorship selfhood and tradition in Spanish culture This book will appeal to Hispanists and comparatists interested in contemporary perspectives on the literature and culture of medieval and Renaissance Spain as well as to medievalists and Renaissance specialists interested in Spanish literature Contributors La Schwartz Lerner Jos Regueiro Edward H Friedman Mary Malcolm Gaylord Marina S Brownlee Paul Julian Smith Harry Sieber Robert ter Horst Ruth El Saffar Anthony J Cascardi Diana de Armas Wilson Walter Cohen Joan Ramn Resina Hans Ulrich Gumbrecht

Don Quixote and the Subversive Tradition of Golden Age Spain R. K. Britton, 2018-12-01 This study offers a reading of Don Quixote with comparative material from Golden Age history and Cervantes life to argue that his greatest work was not just the hilariously comic entertainment that most of his contemporaries took it to be Rather it belongs to a subversive tradition of writing that grew up in sixteenth century Spain and which constantly questioned the aims and standards of the imperial nation state that Counter reformation Spain had become from the point of view of Renaissance humanism Prime consideration needs to be given to the system of Spanish censorship at the time run largely by the Inquisition albeit officially an institution of the crown and its effect on the cultural life of the country In response writers of poetry and prose fiction strenuously attacked on moral grounds by sections of the clergy and the laity became adept at camouflaging heterodox ideas through rhetoric and imaginative invention Ironically Cervantes success in avoiding the attention of the censor by concealing his criticisms beneath irony and humour was so effective that even some twentieth century scholars have maintained Don Quixote is a brilliantly funny book but no more Bob Britton draws on recent critical and historical scholarship including ideas on cultural authority and studies on the way Cervantes addresses history truth writing law and gender in Don Quixote and engages with the intellectual and moral issues that this much loved writer engaged with The summation and appraisal of these elements within the context of Golden Age censorship and the literary politics of the time make it essential reading for all those who

are interested in or study the Spanish language and its literature

The German Pícaro and Modernity Bernhard Malkmus, 2014-03-13 The German Pícaro and Modernity reads the re emergence of the picaresque narrative in twentieth century German language writing as an expression of modernity and its social imaginaries Malkmus argues that the picaresque whose origins date back to the Spanish Renaissance and the Baroque Age re emerged as a reflection both of Germany's explosive modernizing processes between 1880 and 1930 and of the most barbarous implosion of modern civilization under National Socialism Another reason for the fertility of this literary form at that particular cultural moment is rooted in the complexities of German Jewish relations and the history of Jewish assimilation in central Europe A considerable number of authors who used the picaresque form in the twentieth century are from a Jewish background and Malkmus demonstrates how the picaresque narrative template also offers a medium for German Jewish self reflection In highlighting these connections he contributes not only to scholarship in European literature but also but also to our understanding of major social economic and political issues at stake in modernity

Spanish Literature: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Indiana Journal of Hispanic Literatures, 1996 **The Feminist Encyclopedia of Spanish Literature** Janet Pérez, Maureen Ihrie, 2002 **Allegorica**, 1996 **An Oblique Gaze in Spanish Golden Age Representation** David Rodríguez Castillo, 1996 **The Novellas of María de Zayas Y Sotomayor** Nancy Kerr Cushing, 1996

Public Theater in Golden Age Madrid and Tudor-Stuart London Ivan Cañadas, 2005 In this comparative study of English and Spanish drama the author concerns himself with theatrical conventions the social significance of drama and audience reception in early modern Spain and England His primary focus of this study is the drama of Shakespeare and some of his contemporaries particularly Thomas Dekker in England and the peasant honor plays of Lope de Vega in Spain The study addresses the representation of social conflict in the public drama of these two countries and it provides not only literary analysis of individual plays but also fascinating new insights into the sociology of theatre as an institution

Baltasar Gracián and the Fabrication of Subjects James Vincent Romano, 1997 *Calíope*, 2005 **Restoring the**

Golden Age Dan Edelstein,2004 Current Contents. Arts & Humanities Institute for Scientific Information,2001 The British National Bibliography Arthur James Wells,1995 **Molière's Spanish Connection** Thomas P. Finn,2001 Finn offers socio historical as well as textual analyses to trace the comedia s influence on Moliere s concept of identity Through an in depth study of specific works and general trends he shows how Moliere reworked and reinvigorated the Spanish process of identity construction and distribution **Zayas & her sisters** Judith A. Whitenack,Gwyn Elizabeth Campbell,2000 Fourteen short novelas cortas or cortesanias in one convenient readable volume the work of four women of the Spanish Golden Age Maria de Zayas y Sotomayor Mariana de Carvajal y Saavedra Leonor de Meneses and Ana Abarca de Boles y Mur The stories were immensely popular now they are easily available Introductions and notes address a wide audience of scholars teachers students and the general reader **Catalan Review** ,1995 HOW TO ACQUIRE BOOKS LISTED IN CURRENT CONTENTS ,1996 **Short Story Criticism, Volume 94** Jessica Bomarito,2006-12 Annotation Each volume in this series presents biographical and critical information on four to eight short story writers and a historical survey of the critical response to their work A cumulative title index to the entire series is available separately included in subscription
