Selected Poems of Anthony Hecht Anthony Hecht, 2011-03-22

Alongside Wallace Stevens James Merrill and other pillars of twentieth century poetry Anthony Hecht joins the Borzoi Poetry series Hecht whose writing rings with the cadences of the King James Bible and who as an infantryman at the end of World War II participated in the liberation of the concentration camps lived and experienced the best and worst of the twentieth century Readers of this volume the first selected poems to be made from Hecht's seven individual volumes will be captivated by Hecht's dark music and allusions to the literature of the past As J D McClatchy explains in his introduction Hecht was a poet for whom formal elegance was inextricably bound up with the dramatic force thematic ambition and powerful emotions in each poem The rules of his art which he both honored and transformed are moral principles meant finally to reveal the structure of human dilemmas and sympathies This elevated sense of what poetry can accomplish defines our experience of reading Hecht and will ensure his place in the canon for years to come Adam and Eve knew such perfection once God's finger in the cloud and on the ground Nothing but springtime nothing else at all But in our fallen state where the blood hunts For blood and rises at the hunting sound What do we know of lasting since the fall Who has not in the oil and heat of youth Thought of the flourishing of the almond tree The grasshopper and the failing of desire And thought his tongue might pierce the secrecy Of the six pointed starlight and might choir A secret voweled unutterable truth from A Poem for Julia

Selected Poems Ruth Fainlight, 1987 Ruth Fainlight's Selected poems brings together in one volume a representative selection of her best work from To see the matter clearly to her latest collection Fifteen to infinity She has been described as a feminist poet but she is much more than that Her intense self scrutiny provides universal poetic insights and this Selected poems has considerable authority Back cover

demonstrates the ways in which Virgil's are poems that Heaney lived with long and dreamily especially the descent into the underworld in Aeneid VI It shows that in his original English poems as well as his translations from Latin Heaney conjures and transforms familiar Virgilian motifs The rhythm pace and musicality of Virgil's hexameters can be heard in Heaney's pastoral eclogues and sonnet sequences And Virgil's life and times as well as his poetry contribute to the shaping of Heaney's prose poetics In dialogue with Virgil as well as other classical and modern poets Heaney develops his notion of the redress of poetry the counterbalance that poetry can offer against historical tragedy suffering and loss The book explores Heaney's intensely productive thirty year dialogue with Virgil beginning with his translation of The Golden Bough in the 1980s and extending through several major volumes including Seeing Things The Midnight Verdict Electric Light District and Circle The Riverbank Field Human Chain and the posthumously published translation of Aeneid Book VI *Selected Poems* Francis

Ponge,1994 Through translations by two major contemporary poets and a scholar intimate with the Ponge canon this volume offers selections of mostly earlier poetry *Le parti pris des choses* *Pieces* *Proemes* and *Nouveau nouveau recueil* as representative of the strongest work of this modern French master Jacket Abandoned Women and Poetic Tradition

Lawrence Lipking,1988-09-15 At the heart of poetic tradition is a figure of abandonment a woman forsaken and out of control She appears in writings ancient and modern in the East and the West in high art and popular culture produced by women and by men What accounts for her perennial fascination What is her function in poems and for writers Lawrence Lipking suggests many possibilities In this figure he finds a partial record of women s experience an instrument for the expression of religious love and yearning a voice for psychological fears and finally a model for the poet Abandoned women inspire new ways of reading poems and poetic tradition Sibyls and Others Ruth Fainlight,1980 Selected Poems and Translations
