C.D.,2017-02-10 Hi folks I m C D and if my writing sells you ll find out what C D stands for because I put myself in the book and I don t come along as more than C D until a future book Now I m new at this writing business and before starting to write I was setting around one day after retiring and thinking now what do I do with myself I could go back to work but I was laid off from my last job and I really don t won t to not for someone else anyway Even if someone would hire me at 66 which is unlikely Well To make a long story a bit shorter I racked my brain on what to do with myself and came up with writing then writing fiction not much research in that then came up with putting all my friends in it whether alive or not with us any longer also family members most of which are pushing up daises which makes for good ghosts I do hope you buy it and enjoy it If not maybe I ll go back to work after all Yours truly C D P S I plan on giving most if not all of the money made by me on this to charity or even forming a charity the book profits would go strait into but of course thats to worry about after I sell some books
