Currahee! Donald Robert Burgett,1967 **Currahee!** Donald Robert Burgett,2003 Currahee! Donald Burgett Burgett,Donald R Burgett,2014-07-04 Currahee A Screaming Eagle at Normandy Donald R Burgett is a real Screaming Eagle who jumped with that famed division at Normandy and survived to tell the tale His memoir vividly portrays the tragic chaos of war the blood and sweat the glory and tears of one of the greatest battles of all time Currahee this was the battle cry and motto of his regiment begins with jump training and explodes in drama as they are parachuted into Normandy with orders to take and hold the high ground behind the beaches It contains unforgettable incidents The author s almost dispassionate tone goes a long way toward explaining a particular set of psychological defenses which enabled these men to do their duty and for some of them to survive with their sanity intact Currahee is the only book on World War II that General Dwight D Eisenhower ever endorsed calling it a fascinating tale of personal combat that portrays the courage endurance initiative and fighting qualities of an American soldier on a European battlefield of World War II Currahee was originally published to critical acclaim in 1967 Donald R Burgett holds the title of being the first enlisted man to write and publish on the Airborne

The Western European and Mediterranean Theaters in World War II Donal Sexton,2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian Fighting Elites John C. Fredriksen,2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today Fighting Elites A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces

military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities D-Day Dakotas Martin W Bowman,2019-07-11 On 18 December 1935 when the first flight of the Douglas DC 3 took place few could have imagined that it would become one of the world s most celebrated aircraft of all time not just as a commercial airliner but also as the C 47 military transport When production ceased in the summer of 1945 a total of 10 926 had been built This wonderfully versatile aircraft played a significant part in airborne operations around the world but perhaps its most notable employment occurred during the June 1944 Normandy campaign This important episode within the wider history of D Day is enlivened here in classic fashion by Martin Bowman in a narrative that features both extensive historical notes as well as deeply personal accounts of endurance and individual gallantry This amplified account of events as they unfolded in the skies above France on D Day 5 6 and 6 7 June 1944 reveals the invaluable contribution these workhorses of World War II made to the overall success in Normandy It follows the author s comprehensive five part work published by Pen Sword Air War D Day that included a multitude of personal military accounts from both Allied and German personnel who took part in Operation Overlord and the Normandy campaign **Currahee!** Donald R. Burgett,1968 *The Last Full Measure* Michael Stephenson,2013-06-04 Behind every soldier s death lies a story What psychological and cultural pressures brought him to his fate What lies and truths convinced him to march toward his death Covering warfare from prehistory through the present day The Last Full Measure tells these soldiers stories ultimately capturing the experience of war as few books ever have In these pages we march into battle alongside the Greek phalanx and the medieval foot soldier We hear gunpowder s thunder in the slaughters of the Napoleonic era and the industrialized killing of the Civil War and recoil at the modern automated horrors of both World Wars Finally we witness the death of one tradition of heroic combat and the construction of another in the wars of the modern era ranging from Vietnam to America s latest involvements in Iraq and Afghanistan Combining commanding prose impeccable research and a true sensitivity to the combatant s plight The Last Full Measure is both a remarkably fresh journey through the annals of war and a powerful tribute to the proverbial unknown soldier **World War II: The Last War Heroes** Stephen Bull,2011-11-11 The companion volume to the groundbreaking TV series this book tells the story of the physical emotional and psychological journey of Allied soldiers from the beaches of Normandy to the ruins of Berlin In their own words these brave men from Britain the United States Canada and Russia tell us what it was like to face the bullets bombs mortars mines and artillery shells of Nazi Germany Interviews with over 80 soldiers who fought in the conflict totalling 150 hours provide a new perspective on the experiences of 1944 45 Building on the high speed multi camera filming of World War II weapons and munitions shown in the TV series this book brings the terrifying reality of the war to life Technical descriptions and the experiences of the men in the field explain the dramatic power and effect that this weaponry

had on the battlefield from the sinister simplicity of the deadly AP mine through to the immense firepower of the 88mm gun giving the modern historian a unique insight into the last days of the war for the troops on the frontline This is not a history of generals of armies manoeuvring and strategic objectives World War II The Last War Heroes is a book about the ordinary men put into incredible situations deprived of sleep and food and in constant fear of death on the long road to victory

The Road to Arnhem Donald Burgett,2014-07-11 Following their epic combat in Normandy the paratroopers were finally pulled out of the line on June 30 1944 after being in virtually constant combat since their night drop in the early morning of June 6 the Screaming Eagles of the 101st Airborne Division returned to battle on Sept 17 1944 as part of Field Marshal Montgomery s audacious plan to seize a Rhine River bridgehead and help bring the war against Germany to a swift conclusion The plan was simple A three airborne division air assault would secure key bridge sites along the sixty mile road to the Rhine River town of Arnhem allowing the attacking British XXX Corps spearhead across the river Once across the Rhine Monty s armies would be able to end run the German forces in France and capture Berlin before the Nazis would be able to respond The British field marshal named his bid to bring the war to a quick end Operation Market Garden Historian Cornelius Ryan immortalized it with a different name a bridge too far Operation Market Garden proved to be as impossible as it was audacious Yet the paratroopers of the 101st accomplished their mission capturing and holding all of their assigned objectives It was at a high cost however as the Screaming Eagles battled the Nazis along what quickly became known as Hell s Highway for seventy two days Finally in late November the 101st was pulled out of line In a harrowing first person narrative of battle The Road to Arnhem Donald R Burgett describes his experiences in the 101st Airborne Division during World War II is considered a classic of combat literature Donald R Burgett is the author of Currahee a critically acclaimed memoir of the Normandy invasion and Seven Roads to Hell his epic account of the Battle of Bastogne and Beyond the Rhine that continues through Austria and Germany to the capture of Hitler s home in Berchtesgaden *Soldier of Fortune* ,2001

The Filthy Thirteen Richard Killblane,Jake McNiece,2003-05-19 The true story of the 101st Airborne Division s most notorious squad of combat paratroopers the inspiration for the classic WWII film The Dirty Dozen Since World War II the American public has learned of the exploits of the 101st Airborne Division the paratroopers who led the Allied invasions into Nazi held Europe But within the ranks of the 101st one unit attained truly legendary status Known as the Filthy Thirteen they were the real life inspiration for The Dirty Dozen Primarily products of the Dustbowl and the Depression the Filthy Thirteen became notorious within the elite Screaming Eagles for their hard drinking and savage fighting skills From D Day until the end of the war the squad s heart and soul and its toughest member was a half Native American soldier named Jake McNiece McNiece made four combat jumps was in the forefront of every fight in northern Europe yet somehow never made the rank of PFC The Filthy Thirteen offers a vivid group portrait of hardscrabble guys whom any respectable person would be loath to meet in a dark alley a brawling bunch whose saving grace was that they inflicted more damage on the Germans than on MPs

the English countryside and their own officers **Military History** ,1999-04 The World at War, 1939-1945 William Edward Scott,2002 An extraordinarily detailed reference book The World At War 1939 1945 offers the reader an in depth guide to the greatest conflict of the 20th Century Meticulously researched with over 1 200 identifications and a bibliography of over 4 000 sources the book examines the people places and events that changed our world forever William Scott spent three years carefully researching and compiling the information for this book He worked exclusively from military archives and university libraries to produce this one of a kind World War II reference book Including an easy to follow chronology of events a list of military and naval abbreviations and an organizational chart of U S Army units The World At War 1939 1945 is a must for military historians academics history buffs and veterans **Bunker Hill to Bastogne** Briton Cooper Busch,2007-06 Traces the birth and evolution of America s elite military fighting units and general public s changing perception of them **The Journal of Military History** ,2000 Currahee! Currahee A Screaming Eagle At Normandy: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Currahee A Screaming Eagle At Normandy : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
