

An abstract painting with vibrant colors and textures. The composition is dominated by a large, dark, textured shape in the center, possibly a book or a piece of fabric, set against a background of swirling, layered colors including red, orange, green, and purple. The brushstrokes are visible, creating a sense of depth and movement.

numerosas las antologías publicadas un signo muy revelador de la importante presencia del microrrelato en el mercado literario actual. Todo ello ha provocado que el mundo académico haya empezado a prestar una especial atención al microrrelato. Así cada vez es más abundante la bibliografía teórica y crítica en torno al mismo. Aunque por otro lado todavía no existen monografías ni volúmenes que ofrezcan al lector un panorama meditado de las diversas perspectivas desde las que suele abordarse el estudio del microrrelato así como de los principales debates sobre el mismo. El objetivo de esta antología es dar razón de las diferentes aportaciones teóricas sobre el microrrelato que han aparecido en los últimos años tanto en lo que se refiere a su definición y caracterización formal y temática como a otras cuestiones de gran interés para la Teoría y la Historia Literaria. Asimismo confrontando voces y opiniones diversas esta antología también quiere promover el debate en torno a dos aspectos esenciales: la posible autonomía genérica del microrrelato y su vinculación con las nuevas vías de expresión literaria de la posmodernidad.
