Culture Jam:

Culture Jam Kalle Lasn, 2000-11-07 America is no longer a country but a multimillion dollar brand says Kalle Lasn and his fellow culture jammers The founder of Adbusters magazine Lasn aims to stop the branding of America by changing the way information flows the way institutions wield power the way television stations are run and the way the food fashion automobile sports music and culture industries set agendas With a courageous and compelling voice Lasn deconstructs the advertising culture and our fixation on icons and brand names And he shows how to organize resistance against the power trust that manages the brands by uncooling consumer items by dermarketing fashions and celebrities and by breaking the media trance of our TV addicted age A powerful manifesto by a leading media activist Culture Jam lays the foundations for the most significant social movement of the early twenty first century a movement that can change the world and the way we think and live

Encyclopedia of Social Movement Media John D. H. Downing, John Derek Hall Downing, 2011 The entries are designed to be relatively brief with clear accessible and current information *Contemporary Readings in Sociology* Kathleen Odell Korgen, 2008-02-29 This reader was developed to be used in numerous courses taught in sociology It is appropriate for an introductory course as well as a social problems or special topics course The readings have been selected from numerous well respected sociology journals and they have been edited to make them more user friendly for the undergraduate student This reader allows undergraduate students to read about the major topics in sociology in the words of the original authors The reader includes a topic guide to help the instructor better integrate the material into their course and well crafted section openers place each article in context for the student This series of readings has been vetted by an Advisory Board of sociology instructors to ensure quality

Encyclopedia of New Populism and Responses in the 21st Century Joseph Chacko Chennattuserry, Madhumati Deshpande, Paul Hong, 2024-12-02 This book mainly seeks to explain define and update the recurring forms of populism in the 21st century Examples used in this Introduction are limited to English speaking countries But populism's existent expressions are ecumenically global Like any long lasting perennial organism it is sturdy and comes in a variety of forms adaptable to environmental changes In political or cultural terms its expression has been neither exclusively left center nor right Populism contains multitudes dates back centuries before it was identified with its modern name Populism has become a hot button issue in the recent times The UK's Sunday heavy The Guardian published about 300 articles in 1998 that used the term populism or populist and by 2016 its use had skyrocketed to over 2 000 And growing Probably the single greatest catalyst to date that injected populism into the world's Internet common discourse that infused it into journalism right left and center and awakened populist political activism was the Great Recession of 2007 08 and the subsequent global deprivations it engendered In today's world populism promises to remain and renew its intensity due to the covid 19 pandemic's deleterious effects on most nations middle and low income groups specially minorities These are some reasons among many why it is time for populism to be relocated identified and given
