Finding the Real Jesus Lee Strobel, 2009-12-15 Who was Jesus really For centuries the Christian church has taught that Jesus is the divine Son of God crucified for sinners and raised from the dead In recent years however that picture of Jesus has come under widely publicized attack from sources ranging from critical scholars to Internet pundits to popular historians and others The new portraits of Jesus seem persuasive You can't help but wonder Did Christianity merely copy its beliefs from earlier mythology Did the church suppress alternate gospels Did Jesus never die on the cross or rise from the dead for sinners Is the New Testament hopelessly riddled with errors New York Times bestselling author Lee Strobel helps you separate truth from media hype sound scholarship from bias and fact from speculation Digging below the surface this book provides credible informed answers to today's most pressing questions about Jesus

Hard Sayings of Jesus John Zehring,2017-10-28 Hard sayings of Jesus are those he spoke which are hard to understand Some confounded even the disciples who did not understand or were astounded by what he said The hard sayings often appear to contradict Jesus other teachings about a loving kind forgiving and compassionate God How can curious Christians wrestle with their meaning to understand them This book stimulates engaging conversations for a six week group study of Jesus hard sayings Each chapter contains conversation starting questions background information and texts needed to inform the discussion The Appendix includes valuable tools like 1 The teaching methods of Jesus 2 Basic questions to consider in bible study 3 Fast Facts about the authors of the synoptic gospels and others The book is especially well suited for small member led discussion groups although anyone curious about Jesus hard sayings will find it enlightening

A Curious Faith Lore Ferguson Wilbert,2022-08-02 God created us to be curious We innately wonder about the world one another ourselves and our Creator But fear of the unknown cultural taboos technology or even church leaders can smother our curiosity Popular writer Lore Ferguson Wilbert has belonged to Christian communities that discouraged curiosity The point of the Christian life was to have the right answers and asking questions reflected a wavering faith But Wilbert came to discover that the Bible is a permission slip to anyone who wants to ask questions Reflecting her own theological trajectory toward a more contemplative expansive faith Wilbert invites readers to foster curiosity as a spiritual habit This book explores questions God asks us questions we ask God and questions we ask each other Christianity is not about knowing good answers says Wilbert but about asking good questions ones that foster deeper intimacy with God and others *A Curious Faith* invites readers to go beyond pat answers and embrace curiosity rather than certainty as a hallmark of authentic faith Foreword by Seth Haines

The Church of the Perfect Storm Leonard Sweet,2010-09-01 The church is heading into a perfect storm of cultural forces Will you sink beneath the waves or ride the winds of the Spirit An array of cultural forces is coming together to present the church with unprecedented challenge and unequalled opportunity Such category 5 realities as postmodernism postChristendom attacks on belief in God and the threat of global warming have coalesced to make a perfect storm that will leave people uncertain of their place in the world and all they have previously believed in Like the disciples when Jesus calmed the storm the church can cower and cry out for relief Or when everything is spinning and whirling in the wind the church can go out to meet the storm embrace the gale and pass out kites From the Circuit Rider review Like other books Sweet has written and compiled The Church of the Perfect Storm is thought provoking and compelling The material flows in such a way that allows readers to grasp the gravity of the situation However as with most futuristic material there is also a sense in which readers may want to know Okay now what Where do we need to steer this ship Are mainline and evangelical churches so off course as to fail to weather the rising tides that are here and soon coming Readers of this volume may enjoy the description of a post Christendom world but they may also want to know more about the prescription for the days ahead Click here to read the entire review
