Faking It Ellen Stockstill,2023-12-15 Faking It analyzes Victorian novels containing supposedly authentic transcriptions of letters diary entries memoirs travelogues witness testimonies newspaper clippings and other documentary evidence that purportedly verify a narrative s claims of truth Stockstill argues for a reexamination of the documentary novel s affordances and even flexibility despite the form s inherent constraints

Off Trail Jane Parnell,2018-01-18 Only one person believed Jane Parnell when she reported being raped at twenty one the mountain man who first led her up one peak after another in the Colorado Rockies and who then became her husband Parnell took to mountaineering in the Rocky Mountains as a means to overcome her family s history of mental illness and the trauma of the rape By age thirty she became the first woman to climb the 100 highest peaks of the state But regaining her footing could not save her by now failing marriage Unprepared emotionally and financially for singlehood she kept climbing the 200 highest peaks then nearly all of the 300 highest The mountains were the one anchor in her life that held Finding few contemporary role models to validate her ambition Parnell looked to the past for inspiration to English travel writer Isabella Bird who also sought refuge and transformation in the Colorado Rockies notably by climbing Longs Peak in 1873 with the notorious mountain man Rocky Mountain Jim Reading Bird s now classic A Lady s Life in the Rocky Mountains emboldened Parnell to keep moving forward She was not alone in her drive for independence Parnell s memoir spans half a century Her personal journey dramatizes evolving gender roles from the 1950s to the present As a child she witnessed the first ascent of the Diamond on Longs Peak the Holy Grail of alpine climbing in the Rockies In 2002 she saw firsthand the catastrophic Colorado wildfires of climate change and five years later she nearly lost her leg in a climbing accident In the tradition of Cheryl Strayed s Wild and Tracy Ross s The Source of All Things Parnell s mountaineering memoir shows us how by pushing ourselves to the limits of our physical endurance and by confronting our deepest fears we can become whole again
