Antioch Effect 8 Characteristics Of Highly Effective Churches:

The Antioch Effect Ken Hemphill, Kenneth S. Hemphill, 1994 Ken Hemphill sidesteps a generation of outreach seminars and market driven formulas to rediscover the true source of all sustained church growth a spiritual commitment to God He offers pastors new hope for future success and vitality

Truth Aflame Larry D. Hart, 2010-02-23 Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology

The Empowered Leader Calvin Miller, 1997-04-01 God blessed King David as a leader only after David submitted himself to God's strength In The Empowered Leader Dr Calvin Miller shows how following David's example can turn you into the leader you can be the leader God wants you to be

DEVELOPING HEALTHY CHURCHES Kieran Beville, 2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well being as an essential element of holistic health for the individual Christian and for Christian communities This work constitutes a template for a spiritual audit of the local church It offers an appointment with the Great Physician that no Christian can afford to ignore Developing Healthy Churches A Case Study in Revelation begins with a well researched outline of the origins and development of the church health movement With that background in mind the author aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted presents the reader with four distinct interpretive models These are the idealist preterist historicist and futurist Beville explains these interpretive approaches simply and critiques them fairly Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor However this easy to read work will take readers to the heart of the matter by taking them to the

heart of Jesus The historical and cultural background provides fascinating insights to the meaning of Christ s words to those churches then and to all churches now The author elicits essential application for the church today He presents timeless and timely truths in a fresh and forthright manner The reader is informed about issues of particular historical significance in a way that has contemporary resonance Here is a work that cautions about complacency confronts compromise and challenges the carnality of Christians in contemporary culture Beville tells us not only what Jesus desires from his disciples but also what He demands Thus this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity Christians who want to restore their vision and vigor will find this book immensely profitable

[The Impact of Church Consultancy](#) Ian G. Duncum,2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities

Your Church in Rhythm Bruce B. Miller,2011-01-13 A gentle new way for church leader s to survive stress and burnout Bruce Miller debunks the idea of balance basically trying to have it all all the time Most churches and their pastors try to do everything at once and feel guilty if any one aspect worship ministries outreach etc is neglected He replaces the exhausting concept of balance with the idea of rhythm churches like people need to give attention to different programs and ministries at different times basically by attending to their seasons and cycles Offers an innovative new model for church leaders Miller has been influential in the formation and promotion of Church Based Training as in international movement Offers a proven method for avoiding burnout for church leaders and members by doing the right things at the right time The author offers much need help to overwhelmed leaders and shows them how to apply Miller s seasonal cyclical approach to church life

Faithful Over a Few Things George O. McCalep,1996 [The Nomadic Church](#) William M. Easum,Bill Easum,Pete Theodore,2005 A guide to the opportunities and challenges facing churches that do not own their property and what established churches can learn from them Across the country churches are forgoing purchase of land and construction of buildings choosing instead to rent space and allocate their resources to mission and leadership development These churches are faced with a number of

challenges such as putting up and tearing down equipment every time they meet getting the word out especially to visitors on where the church will gather any given week and negotiating for additional space However being nomadic provides the church with many important opportunities including that it allows time to build the church as a community before building it with brick and mortar it builds serious disciples by calling on members to sacrifice and it frees funds to be used on mission rather than mortgages Writing for the leaders of portable congregations well as those of more established churches who want to learn from such churches Easum and Theodore have provided the definitive guide to ministry in the nomadic church Bill Easum is a President and Senior Managing Partner in Easum Bandy and Associates a church consulting and nurturing firm One of the most widely sought advisors on congregational health and vitality in North America he has over 30 years of congregational experience with approximately 25 years experience as pastor One of the most respected voices on emerging forms of ministry and congregational life he is the author of several books including *Unfreezing Moves* and *Put on Your Own Oxygen Mask First* both published by Abingdon Press Pete Theodore is Pastor of Teaching at Rolling Hills Community Church in Tualatin Oregon *The Exodus Principle* Gary L. McIntosh, Gary McIntosh, 1995 Church growth expert Gary McIntosh explores the critical need of churches to serve both members and visitors as valued respected guests in God's house It is only by extending the hand of sincere Christian hospitality both inside and outside the church that congregations can continue to grow provided by the publisher **Giant Awakenings** Thom S. Rainer, 1995 With all the attention non traditional churches have received Dr Rainer reminds us that most churches in America today are still based on traditional models He sees not only their survival but possibilities for their profound renewal and revival *The Word for the Wise* Henry Brandt, Kerry L. Skinner, 1995 This book defines the mission of a biblical counselor and provides a complete guide to counseling through comparison of a client's life with the fixed standard of the Bible **Good News for Kids** Cindy Pitts, 1998-04 **The Cumulative Book Index**, 1996 A world list of books in the English language *Missiology*, 1995 An international review **Books in Print**, 1994 *International Mission Bibliography* Norman E. Thomas, 2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960-2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry *Subject Guide to Books in Print*, 2001 *The Writers Directory*, 2013 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 *The Acts of the Apostles* Richard Belward Rackham, 1901
