this volume we have added about forty architects and have deleted some whose activity ceased before World War II In  
making these decisions we have been assisted by an Advisory Board As in the first volume we have continued to define the  
word architect very broadly so as to include planners theorists structural engineers and landscape architects whose work  
seems to be central to the enterprise of creating habitable spaces in our day Editor s note     **Greenopia New York City**  
,2008-04-21 With over 1 000 listings of green retailers service providers and organisations throughout the five boroughs of  
New York City this guide is an indispensable reference for eco friendly shopping It also offers practical advice and  
environmental tips that can be easily used at home Listings range from organic restaurants and grocery stores to dry  
cleaners organic pest control services and sustainable building suppliers such as landscapers and interior designers All  
listings are vetted by a research team and then rescreened by local expert advisers providing shoppers with confident  
reliable choices Some listings are further recognised with a green leaf award which gauges green businesses on a scale of  
one to four leaves four being the greenest This guide is a truly complete resource for green living     **Metropolis** ,1983-07
