Another View:

Another View Nicholas P. Snoek,2013-11-13 Another View is a study of revelation in which a fictional setting is used to explore revealed religion and its background The fictional setting provides a narrative structure to what is otherwise a journey from the infinite past to the current situation as regards revelation in history and in philosophical theological conceptual development This book is not an exercise of exegesis but a source material is never treated lightly Only the fictional setting has a patina of entertainment and some grounding in the world of solids To wit there are no footnotes scholarship is not intrusive but it does build the book *Do Exchange Rates Work? Another View* Mr.Robert A. Mundell,1991-04-01 This paper investigates the role of exchange rates in balance of payments theories It explores the sixteen approaches to the balance of payments the concept of an equilibrium trade balance and sequential stages of the current account It examines fiscal and demographic influences on the U S deficit The final section considers the breakdown of the international monetary system after World Wars I and II an evaluation of alternative proposals to correct the defects of the system and an examination of the extent to which deficits of reserve countries have their origins in systemic problems
