Caring For Parents In Later Life:

How to Care for Aging Parents Virginia Morris,2004-01-01 Thoroughly updated and expanded a compassionate single volume reference to the many emotional legal financial medical and logistical issues associated with caring for aging parents covers such areas as nursing homes finances finding a good doctor legal arrangements redefining parental relationships and handling emotional challenges Original

Caring for Parents in Later Life Avril Rodway,1992 *Caring for Elderly Parents* Deborah M. Merrill,1997-05-30 Based on open ended interviews with adult children and children in law this book documents how plain folk from the working and middle classes manage to provide care for their frail elderly parents while simultaneously meeting the obligations of their jobs and their own immediate families Adult children who care for elderly parents are pressured daily trying to juggle the responsibilities of work family and caregiving Deborah Merrill shows how plain folk as one caregiver termed herself from the working and lower middle classes manage to provide care for their frail elderly parents while simultaneously meeting the obligations of their jobs and their own immediate families The evidence is drawn from open ended in depth interviews with adult children and children in law all of whom have worked outside of the home at some point during caregiving Merrill examines the strategies that caregivers use to combine work and caregiving and the accommodations they make in their jobs She also points to the pathways that lead family members to caregiving roles and how those pathways vary according to family history gender and in law status By focusing on class differences in caregiving and pointing to policy implications Merrill has provided an invaluable resource for students researchers and policymakers in social work gerontology family studies and social issues

Researching Later Life and Ageing Miranda Leontowitsch,2016-11-09 This collection on researching later life and ageing critically reflects upon the qualitative methods used in gaining knowledge of under researched groups of older people and sets out future research agendas
