Caring For Your Dog:

Loving Your Dog Dr. David Anderson, 2015-06-11 After more than 40 years of working with studying and experimenting with training and behavioral methods and techniques involving canines I felt compelled to present this short version of the most successful ways for any dog owner to quickly and easily bring his own canine family member to a highly appreciated level of acceptance of peaceful existence in a human environment Over the years I have opened many books looking for useful information and closed it in disappointment What I found in most instances was a so called dog expert who had written 200 pages of his her experiences with 1 or 2 of their personal dogs My book addresses practically every negative issue that we humans have with dogs in our attempt to live with and love a new canine addition to our families I avoided showing photos that would tend to focus the readers on the training aspect of working with dogs over gaining a sound understanding of how canines think and function within their own society I want the readers to develop their own styles in the application of my proven methods The end result will be that you will have an AMAZING dog One that is so well behaved intelligent happy and complimented by anyone who has an opportunity to meet him her You can t help but love and cherish an animal like that Finally I am going to give every dog owner some words that they need to hear Get yourself a Bible Go to Psalm 36 6 Says that God Cares for people and animals Alike It means to me that its alright for us to truly show love and affection to our canine son or daughter as we do our own When you look into the eyes of your canine you will see the love and appreciation that they have for you Canines and humans have a long history of togetherness Using my methods you can have that ultimate experience too
