## **Caring Relationship Pr:**

**Public Relations As Relationship Management** John A. Ledingham, Stephen D. Bruning, 2000-01-01 The emergence of relationship management as a paradigm for public relations scholarship and practice requires a close examination of just what is achieved by public relations its definition function and value and the benefits it generates Initiated by the editors interest in cross disciplinary exploration this volume evolved to its current form as a result of the need for a framework for understanding public relations and the potential impact of organization public relationships on the study practice and teaching of public relations Ledingham and Bruning include contributions that present state of the art research in relationship management applications of the relational perspective to various components of public relations and the implications of the approach to influence further research and practice The discussion conducted here is certain to influence and promote future theory and practice on the concept of relationship management

**The Routledge Handbook of Critical Public Relations** Jacquie L'Etang, David McKie, Nancy Snow, Jordi Xifra, 2015-08-11 Critical theory has a long history but a relatively recent intersection with public relations This ground breaking collection engages with commonalities and differences in the traditions whilst encouraging plural perspectives in the contemporary public relations field Compiled by a high profile and widely respected team of academics and bringing together other key scholars from this field and beyond this unique international collection marks a major stage in the evolution of critical public relations It will increasingly influence how critical theory informs public relations and communication The collection takes stock of the emergence of critical public relations alongside diverse theoretical traditions critiques and actions methodologies and future implications This makes it an essential reference for public relations researchers educators and students around a world that is becoming more critical in the face of growing inequality and environmental challenges The volume is also of interest to scholars in advertising branding communication consumer studies cultural studies marketing media studies political communication and sociology

**Excellence in Public Relations and Communication Management** James E. Grunig, 2013-10-18 This book is the initial volume coming out of the excellence project a comprehensive research effort commissioned by the IABC International Association of Business Communicators Research Foundation The purpose of this project was to answer two fundamental questions about public relations What are the characteristics of an excellent communication department How does excellent public relations make an organization more effective and how much is that contribution worth economically The research team began its work with a thorough review of the literature in public relations and related disciplines relevant to these questions What started as a literature review however has ended in a general theory of public relations one that integrates most of the wide range of ideas about and practices of communication management in organizations
