Carmines Story:

Summary of Carmine Gallo's *The Storyteller's Secret* Everest Media,2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Steve Jobs was a great business storyteller He was able to bring his ideas to life by capturing the public s imagination He revolutionized computer design but he was also a persuasive storyteller 2 Your story begins with your passion You cannot inspire others unless you re inspired yourself Passion is a puzzle that most people know when they see it but they have a hard time discovering it for themselves 3 Steve Jobs s speech at the 2005 commencement ceremony was a prime example of passion being contagious It fueled the inner fire 4 Your passion is not a passing interest or a hobby but something that is intensely meaningful and core to your identity It should not just be something you want to do but something you can t wait to do Stand by Me Jim Downs,2016-03-01 From a prominent young historian the untold story of the rich variety of gay life in America in the 1970s Despite the tremendous gains of the LGBT movement in recent years the history of gay life in this country remains poorly understood According to conventional wisdom gay liberation started with the Stonewall Riots in Greenwich Village in 1969 The 1970s represented a moment of triumph both political and sexual before the AIDS crisis in the subsequent decade which in the view of many exposed the problems inherent in the so called gay lifestyle In Stand by Me the acclaimed historian Jim Downs rewrites the history of gay life in the 1970s arguing that the decade was about much more than sex and marching in the streets Drawing on a vast trove of untapped records at LGBT community centers in Los Angeles New York and Philadelphia Downs tells moving revelatory stories of gay people who stood together as friends fellow believers and colleagues to create a sense of community among people who felt alienated from mainstream American life As Downs shows gay people found one another in the Metropolitan Community Church a nationwide gay religious group in the pages of the *Body Politic* a newspaper that encouraged its readers to think of their sexuality as a political identity at the Oscar Wilde Memorial Bookstore the hub of gay literary life in New York City and at theaters putting on *Gay American History* a play that brought to the surface the enduring problem of gay oppression These and many other achievements would be largely forgotten after the arrival in the early 1980s of HIV AIDS which allowed critics to claim that sex was the defining feature of gay liberation This reductive narrative set back the cause of gay rights and has shaped the identities of gay people for decades An essential act of historical recovery Stand by Me shines a bright light on a triumphant moment and will transform how we think about gay life in America from the 1970s into the present day *Carmine the Snake* Frank DiMatteo,Michael Benson,2018-08-28 The shocking true story of the most ruthless and deadly mob boss in the annals of the American Mafia In the golden age of organized crime Carmine The Snake Persico was the King of the Streets The defacto boss of the Colombo Mafia family since the 1970s he oversaw gang wars murders and major rackets even from prison He is suspected of personally murdering as many as 60 people and ordering the hits of hundreds more Sentenced to 139 years in the fed he continued to exert power over a vast criminal empire from behind

bars His brutal rise and bloody reign is the stuff of legend In this blistering street level account Mafia survivor Frank Dimatteo teams up with true crime master Michael Benson to take down one of the most notorious figures in the American La Cosa Nostra This is the real inside story of Carmine The Snake Persico from his crime filled childhood on the streets of Brooklyn to the long term jail sentences that didn't stop him from controlling his criminal empire with the help of his brother the equally kill crazy Alphonse Allie Boy Persico His deadly teen years as leader of the fearsome Garfield Boys His recruitment into the Profaci later the Colombo crime family His bloody betrayal of the Gallo brothers His role in the hair raising ambush slaying of Albert Anastasia the Lord High Executioner of Murder Inc as he sat in a barbershop chair getting a shave The terror he struck into the hearts of the New York Mafia's other families and even his own crews And the many courtroom trials where Persico walked after witnesses came down with sudden cases of amnesia Today Carmine The Snake Persico schmoozes with Ponzi king Bernard Madoff behind bars where at age 84 his legend packed as it is with coldblooded brutality continues to inspire goodfellas everywhere

Carmine and the 13th Avenue Boys Craig McGuire, Carmine Imbriale, 2022-04-26 Now in hiding a former wiseguy teams up with a veteran true crime writer to take you inside Brooklyn's gangland at the height of its violence This is the true story of Carmine Imbriale a gambler a brawler a bandit a bookie an enforcer For two decades Imbriale was a street level operative in one of the most violent crews in the Colombo Family and he endeared himself to some of the major figures of organized crime while developing deadly disputes with others Carmine and the 13th Avenue Boys is the jarring account of his lawless lifestyle culminating in a gang war in South Brooklyn from which he emerges a survivor From his first arrest at fifteen for robbing a Coney Island pimp to surviving multiple assassination attempts Imbriale offers up dozens of too good to be true tales featuring some of the most notorious gangsters including Joe Colombo Christie Tick Jimmy Ida Joe Waverly Sammy The Bull Gravano Johnny Rizzo as well as other lions and lackeys of La Cosa Nostra and details a beef with none other than Greg The Grim Reaper Scarpa Sr A young streetwise hustler Imbriale thought he found loyalty a brotherhood Instead he descended into a world of treachery and deceit where your best friend is your executioner and no one gets out alive But no one expected him to become the domino that helped bring it all down
