## **Carnal Knowledge Rape On Trial:**

*Carnal Knowledge* Sue Lees, 2002 In this title Sue Lees explodes the myths about rape that permeate popular opinion the press and the legal system Based on research involving victims accounts of their experiences the analysis of police reporting practices and the monitoring of Crown Court trials Sue Lees describes the way women are encouraged to report rape only then to be intimidated by their assailants and see them walk free She draws on survivors voices to describe how rapes occur and the characteristics of typical rapists Citing reforms in other countries she argues the case for further radical reforms to reverse the imbalances of the judicial process and to create a system that will provide justice for victims without jeopardizing the rights of defendants

*Women and the*

*Criminal Justice System* Emma Milne, Karen Brennan, Nigel South, Jackie Turton, 2018-05-04 Bringing together academics and professionals this edited collection considers key issues in current criminal justice policy and practice related specifically to women to answer the important question are women being failed by the criminal justice system In a landscape where women's involvement in the criminal justice system still tends to be ignored or lost in discussions about men contributors place special emphasis on women as both victims and offenders The chapters cover a wide range of topics relating to women and crime including violent and sexual victimisation violent offending sentencing and punishment and rape myths Since the peak of feminist criminal justice scholarship in the 1990s the place of women in the criminal justice system has arguably slipped down the agenda and the authors of this collection draw on original research to make the compelling case for a swift remedy to this Drawing on recent academic studies and professional experience to set an agenda for future research as well as legal and policy reform this book injects new life into the dialogue surrounding women and the criminal justice system Innovative and timely this collection of essays holds broad appeal to academics and practitioners as well as students of criminology criminal justice and law and all those with an interest in feminism justice and inequality
