Economic Commission for Latin America and the Caribbean, 2016 El Anuario Estadístico de América Latina y el Caribe presenta un conjunto de estadísticas básicas que caracterizan la situación económica sociodemográfica y ambiental de la región referidas a un período en particular Esta información forma parte del conjunto de estadísticas disponibles en CEPALSTAT el portal de bases de datos y publicaciones estadísticas de la CEPAL en línea <http://estadisticas.cepal.org/cepalstat> Las versiones impresa PDF y electrónica del Anuario no son exactamente iguales En la primera se reúne una selección de cuadros orientados a brindar información estadística desde la perspectiva regional privilegiando la comparabilidad internacional de los datos como es el caso de la información sobre pobreza y sobre cuentas nacionales en dólares elaboradas por la CEPAL La versión electrónica en línea en el sitio web de la CEPAL http://interwp.cepal.org/anuario_estadistico/anuario_2015 incluye un mayor número de cuadros que brindan información más detallada y sobre un período histórico mucho más amplio acerca de la situación económica social y ambiental de los países

The Politics of Cultural Development Ben Garner, 2016-04-28 There is a growing recognition of the role that culture can play in sustainable development strategies This development has generally been welcomed but also raises a number of questions What are the implications in policy and practice Who are the most influential voices in promoting a global agenda for culture and development and to what extent has the creation of new international policy instruments reflected a consensus More fundamentally what is meant by culture in these discussions and who has the power to give particular

definitions political and legal authority The Politics of Cultural Development seeks to provide a theoretically and historically informed response to such questions illustrated by reference to case studies including the European Union the Caribbean and China Particular attention is paid to the formation of the UNESCO Convention on the Protection and the Promotion of the Diversity of Cultural Expressions a landmark instrument in debates about culture and development The book goes on to explore some of the practical implications that this international treaty is beginning to have for the ways that culture is and is not being integrated into contemporary development policy and practice This book will be useful for students academics and policymakers in the fields of international development international relations international political economy cultural policy and cultural theory

Hidden harvest: The global contribution of capture fisheries Kelleher, K., Westlund, L., Hoshino, E., Mills, D., Willmann, R., de Graaf, G., Brummett, R., 2012-02-07 The important contribution of fisheries to human well being is frequently underestimated This report highlights that contribution The report focuses on small scale fisheries and developing countries because the livelihoods of 90 percent of the 120 million employed in fisheries are in the small scale fisheries and almost all of those workers 97 percent live in developing countries Many small scale fishing communities have high levels of poverty and poverty reduction is a core focus of the contributing partners to the report
