The Works of Gilbert Parker: Carnac's folly Gilbert Parker, 1923 Carnac's Folly, Complete Gilbert Parker, 2014-06-12 Carnac Carnac Come and catch me Carnac It was a day of perfect summer and hope and happiness in the sweet wild world behind the near woods and the far circle of sky and pine and hemlock The voice that called was young and vibrant and had in it the simple true soul of things It had the clearness of a bugle call ample and full of life and all life s possibilities It laughed it challenged it decoyed Carnac heard the summons and did his best to catch the girl in the wood by the tumbling stream where he had for many an hour emptied out his wayward heart where he had seen his father s logs and timbers caught in jams hunched up on rocky ledges held by the prong of a rock where man s purpose could apparently avail so little Then he had watched the black bearded river drivers with their pike poles and their levers loose the key logs of the bunch and the tumbling citizens of the woods and streams toss away down the current to the wider waters below He was only a lad of fourteen and the girl was only eight but she Junia was as spry and graceful a being as ever woke the echoes of a forest
