Cancer Saved My Life:

Cancer Saved My Life Lois Berry,2000-11 This book is the result of my desire to share what I learned from the experience of surviving breast cancer that metastasized to the bone The changes I made in my life as the result of this illness have led to a happier healthier and more productive life in so many ways I have attained an inner peace that I never had before I made lifestyle changes such as diet but more importantly I learned how to deal with stress and my spiritual life continues to grow I can truly say that cancer enriched my life Over the years I have counseled with many patients as they struggle with this dreaded disease My hope is that by putting my thoughts in book form it will be helpful to a wider audience All of us need help on our journey through life It can be one of anger bitterness despair and self pity or it can be a life of joy forgiveness of reaching out to others with love and gratitude for our blessings

How Cancer Saved My Life Chandra Jarrett,2016-12-11 Unfortunately in this day and time we are all touched by cancer oneself a loved one a friend and or a coworker The day I received my diagnosis I was afraid shocked confused angry and disappointed How did this happen How did I get cancer What would happen to my family What would people remember about me I had a lot of questions and I wasn't sure what to tell people Being diagnosed with cancer reawakened a part of me that had been lulled to sleep by the pain of my past I didn't like the treatment yet I was thankful for the journey I met a lot of great people and learned a lot along the way Whether I lived or died I learned to appreciate each moment of every day of my life I began to live differently love differently and enjoy life *How Cancer Saved My Life* is about the impact cancer had on my life emotionally spiritually and physically the good and the bad joys and sorrows It's also about ways to care for family and friends diagnosed with cancer As you read I hope that you are encouraged and empowered so that when someone is diagnosed with cancer anxiety and fear doesn't paralyze the survivor or caretaker from living life Prepare to laugh cry think deeply and live life to the fullest Like cancer my story is an emotional roller coaster This is not a book to be read from cover to cover because it's really three books in one Part I How cancer saved my life Part II My cancer journey through blogs and pictures Part III Caring for family and friends with cancer Remember that everyone's journey is different I wouldn't cancer on anyone yet I am thankful for the experience Enjoy the journey
