Cane Brake Men:

The Canebrake Men Cameron Judd, 2014-06-10 Finalist for the Spur Award The author of *The Overmountain Men* and *The Border Men* concludes his epic adventure of Tennessee's early history The United States of America has just been born from the fires of revolution But in the wilds of Tennessee in the Southwest Territory a fire still burns especially in the heart of fifteen year old Owen Killefer For Owen witnessed the massacre of his family by Tom Turndale a depraved marauder who deserted the British during the war to live with the Chickamauga and plague the frontier settlements And worse Turndale took Owen's sister captive as his prize Now amidst the growing unrest and hostilities between the new Americans pushing ever westward and the native Indians who have trusted too many broken treaties Owen must find a way to save his sister and avenge his family Judd writes a mean story Zane Grey's West

Circumstances determine the poet inheritance determines who the poet shall be It somehow seems to be a marvellous thing that a thrifty plain Quaker stock should come to such a flowering as was seen in John Greenleaf Whittier That iridescent colors should play over the Quaker drab That from the insignificant chrysalis should emerge the brilliant butterfly From Keltic origin one might expect any surprises Boyle OR eilly who had also something of the prophetic spirit who also threw himself generously into conflict with powers that did their best to crush him and make a martyr of him is explained by the fact that he was Keltic But one scarcely expects a singer from the ranks of sober Friends That is an anomaly and to explain the phenomenon one must look into Whittier's ancestry Four steps bring us back to the days of the Puritans
