Capacity Reservation For Capitalintensive Technologies An Options Approach:

Capacity Reservation for Capital-intensive Technologies Stefan Spinler,2012-12-06 Arguably the central problem in operations research and management science OR MS addressed by e Business is better coordination of supply and demand including price discovery and reduction of transactions costs of buyer seller interactions In capital intensive industries like chemicals and steel the out of pocket costs of excess capacity and the opportunity costs of underutilized capacity have been important factors driving the growth of exchanges for improving demand and supply coordination through e Business platforms Stefan Spinler addresses in his dissertation one of the most interesting aspects of this evolution for OR MS the parallel development of long term and short term markets for capacity and output accompanied by a range of exotic options and forwards as the basic mechanisms supporting transactions This is a fascinating research topic because it builds on the powerful framework of real options while connecting directly to key operations decisions capacity planning staffing maintenance and so forth of the plants and technologies whose output is the focus of contracts From the perspective of practice the use of these contracting mechanisms as facilitated by a new breed of B2B exchanges represents an opportunity for further improving supply chain performance and capital asset productivity

Capacity Reservation for Capital-Intensive Technologies Stefan Spinler,2014-01-15 **Capacity Options for Revenue Management** Rolf Hellermann,2006-10-07 This book proposes capacity options as a flexible alternative air cargo contract type and illustrates how capacity can be priced through option contracts The analysis is accomplished by means of an analytical multivariate optimization model under price and demand uncertainty A case study using data from a leading German carrier illustrates the financial potential Finally the author shows how capacity option contracts integrate into the context of air cargo revenue management **Encyclopedia of Sports Management and Marketing** Linda E.
