The Politics of Time in China and Japan Viren Murthy,2022-06-24 Drawing on a wide range of texts and using an interdisciplinary approach this volume shows how Chinese and Japanese intellectuals mobilized the past to create a better future It is especially significant today given a world where amidst tensions within Asia and the rise of China East Asian intellectuals and governments constantly find new political meanings in their traditions The essays illuminate how throughout Chinese and Japanese history thinkers constantly weaved together nationalism internationalism and a politics of time This volume explores a broad range of subjects such as premodern and early modern attempts to conjure a politics of Confucianism twentieth century Japanese Marxist interpretations of Buddhism and Japanese and Chinese endeavors to imagine a new world order In sum this book shows us why understanding East Asian pasts are essential to making sense of ideological trends in contemporary China and Japan For example without understanding Confucianism and how modern intellectuals in China grappled with this body of thought we would be unable to make sense of the Chinese government s current promotion of the Chinese classics This book will interest students and scholars of political science history Asian studies sociology and philosophy

Entrepreneurial Education Kristiina Erkkilä,2000 The study finds that arguments supporting or opposing entrepreneurial education are highly contextual According to the literature studied entrepreneurship education is more directly focused upon small business and entrepreneurship whereas enterprise education is aimed at the development of enterprising behavior skills and attributes not only for business use Furthermore debates on entrepreneurial education are more complex than shown in previous studies The debate in the United States is more diverse and practice driven than those

are in the United Kingdom and Finland In addition the discourse of each country has unique categories The book includes suggestions for future research and gives recommendations particularly for Finnish practice which could also benefit other societies just starting their path in entrepreneurial education The study serves as a comprehensive literature source for future interests and research BOOK JACKET **The Chemical Age** ,1929 **Chemical Age** ,1929 **Social Science Abstracts** ,1930 **The Economic journal** ,1925 National Union Catalog ,1980 Includes entries for maps and atlases
