Cook best known for his heroic voyages through the Pacific Ocean is brought to life in vivid detail We follow his humble beginnings as the son of a farm labourer through his convention shattering treatment of the indigenous groups he met on his travels and then onto his final tragic voyage which signalled the end of his revered reputation One hundred years on from the death of Cook another great man George Collingridge begins his own adventure He like Cook was oblivious to the implications his journey would have Along the way he unfolds ancient maps secret tales and unearths hidden lands and buried treasure He is also said to have realised that it was not Cook who discovered Australia it was the Portugese This firm belief was the eventual cause of his self destruction Another hundred years later Vanessa Collingridge is searching for books on her lifelong hero Captain Cook in a university library She discovers the name of a distant cousin George Collingridge in a dusty card index And so a new journey of discovery begins in the footsteps of her hero and his nemesis **Captain Cook**
