**Captured for the Captain's Pleasure** Ann Lethbridge,2012-01-01 Captain Michael Hawkhurst relishes his fearsome reputation for he lives only to wreak revenge on the Fulton family who so cruelly destroyed his own Spirited Alice Fulton knows a ship is no place for a lady but she is determined to save her father s business When fate delivers him Fulton s virginal daughter as his captive Michael faces a dilemma should he live up to his scandalous name and find revenge with sweet Alice or will his honorable side win out and win the girl **Military Obligation** United States. Selective Service System,1947 A Fairytale or Not Philip Badger Greenwood,2011-08-18 Many a year has past since the day of my birth suffice to say that I am as old as my heart and as young as the winter snow Odd that I should mention the winter for it was the season that I entered this world and it is my favourite I love the magic of the season and the good will of the human spirit It has always been this way with me and I shall never differ My life differs none other that yours excepting perhaps that I have witnessed many a phenomenon For example spirits of the dead have visited and spoken with me I have stood in my garden at night and watched unidentified flying objects cross the sky and disappear in the blinking of an eye Moreover yes I have even seen a fairy I live deep in the countryside and often feel the magic of the fairy folk around me Not to long ago I found myself driving down the long narrow road that eventually leads to my home I was half a mile from my property and travelling at approximately 25 miles per hour I have to pass a small coppice at the side of the road that boasts a mound in its centre Perhaps it was from out of this mound that a little man appeared I cannot say However of a sudden a little man with beautiful transparent wings attached to his back flew across my window screen I must admit that these sightings are so very rare and that to witness such a sight is magnificent indeed It has never accorded me to put my experiences to paper However after my last encounter with some very odd creatures I have decided to give record of a few My reason for this is that after you have read these few examples perhaps you would care to read some of the following tales that I have accumulated over a period of many years **Military Obligation: New York Enactments** United States.
