Captive Innocent:

Captive Innocent Allison Knight, A Knight, 1989-08 *Captive Innocence* Fern Michaels, 2014-05-01 A young widow is lured by the siren call of an exotic land in this steamy historical romance from the 1 New York Times bestselling author Fern Michaels takes us on a riveting journey where a young woman finds her destiny opening new vistas of promise and hope Royall Banner ventured into a lush new unknown world to claim her family's heritage There far from the reaches of civilization she became entranced with the exotic enigmatic Sebastian Rivera As excitement with her new life consumed her Royall found herself in the midst of a strange and troubling culture where stunning opulence mirrored terrible bondage In the center of it all stood the plantation owner who controlled the land and everyone on it and who meant to have Royall for his own Praise for the novels of Fern Michaels Heartbreaking suspenseful and tender Booklist on Return to Sender A big rich book in every way I think Fern Michaels has struck oil with this one Patricia Matthews on Texas Rich *Cipriani's Innocent Captive* Cathy Williams, 2017-09-01 An Italian billionaire CEO sweeps an innocent employee off to paradise as his prisoner to keep her from spoiling a deal in this hot romance One of Lucas Cipriani's employees has information which could ruin a vital takeover and he's furious The only way to handle temptress Katy Brennan is to hold her captive on his yacht for a fortnight cut off from the world until the deal is complete Katy is infuriated by her billionaire boss's high handed behavior but also unwillingly intrigued by the gorgeous CEO Once she's alone and at his mercy Lucas begins to let Katy see past his steely exterior Soon she's shockingly tempted to indulge in a forbidden fling and relinquish her innocence *Stopgap* Liam Card, 2016-03-19 Luke's afterlife is turned upside down when he is asked to mentor Safia an angry young ghost with the power to rid the world of all violent crimes leaving a trail of dead criminals in her path Stopgap is a darkly comic journey to an afterlife where clearly defined rules can't cover up uneasy shades of grey **Encounter between Enemies: Captivity and Ransom in the Latin Kingdom of Jerusalem** Yvonne Friedman, 2021-10-25 This fascinating study examines the customs legal codes and socioeconomic mechanisms that evolved from the initial Christian Muslim encounter on Crusader battlefields It pinpoints changes in European mentality and conduct of war tracing acculturation processes in Frankish society in the Levant These changes emerged from the need to redeem captives making payment of ransom to the infidel conceivable and acceptable The book pays special attention to the story of the vanquished to the situation of women to the behavior of the Military Orders toward captives and to the image of the captive in Crusader literature in the context of making war and peace **Enemies of All Humankind** Sonja Schillings, 2016-12-06 Hostis humani generis meaning enemy of humankind is the legal basis by which Western societies have defined such criminals as pirates torturers or terrorists as beyond the pale of civilization Sonja Schillings argues that the legal fiction designating certain persons or classes of persons as enemies of all humankind does more than characterize them as inherently hostile it supplies a narrative basis for legitimating violence in the name of the state The book draws attention to a century old narrative pattern that not only

underlies the legal category of enemies of the people but more generally informs interpretations of imperial expansion protest against structural oppression and the transformation of institutions as legitimate interventions on behalf of civilized society Schillings traces the Anglo American interpretive history of the concept which she sees as crucial to understanding US history in particular with regard to the frontier race relations and the war on terror The Captive's Vow; Or, the Bashaw.
