## **Captive Of The Rising Sun:**

*Captive of the Rising Sun* Donald T. Giles, 1994 *Captive* is based on a memoir written by Giles and discovered after his death by his son Donald T. Giles Jr. The historical framework of his father's experiences both in Guam and later in the Japanese camps of Zentsuji and Roku Roshi was reconstructed after the son thoroughly researched military records, Japanese reports, and other primary source materials. As presented, the book is one of the most cogent accounts ever published of the fall of Guam and the ensuing four years of brutality. It commemorates all personnel, including civilians who died or were captured on Guam, and contains exhaustive annotation of incidents prior to, during, and after their surrender to the Japanese.

**Captive of the Rising Sun** Donald T. Giles (Rear Admiral.), 1994      **Forgotten Island** John J. Domagalski, 2024-07-16  
The opening days of World War II in the Pacific found the island of Guam in the Mariana Islands to be an isolated American possession that was nearly surrounded by Japanese territory. The island came under immediate attack with the start of hostilities. The small garrison of marines, navy personnel, and Guamanians surrendered to Japanese invaders after offering only token resistance. However, not all of the American servicemen capitulated. Navy radioman George Ray Tweed was one of six sailors who disappeared into the thick interior jungle. The Japanese occupiers quickly solidified control over the island and began a ruthless search for the missing sailors. Five of the Americans were eventually found and mercilessly killed. The sole survivor, Tweed, spent the next thirty-one months on the run, sometimes literally running for his life, staying just one step ahead of his hunters. He continually eluded his pursuers through the use of his survival skills, some good luck, and the generous help of Guamanian civilians, often at great risk to their own safety. During the two and a half years, the sailor remained in hiding. American forces were fighting their way across the Pacific. The events reached a crescendo in the summer of 1944 with the arrival of the American fleet in Guam. A major naval battle, an amphibious invasion, the rescue of George Tweed, and a brutal fight to liberate Guam all combine to bring this epic story to a close.      *Death on the Hellships* Gregory F. Michno, 2016-07-15. Now available in paperback. *Death on the Hellships* chronicles the true dimensions of the Allied POW experience at sea. It is a disturbing story many believe the Bataan Death March even pales by comparison. Survivors describe their ordeal in the Japanese hellships as the absolute worst experience of their captivity. Crammed by the thousands into the holds of the ships, moved from island to island, and put to work, they endured all the horrors of the prison camps, magnified tenfold. Gregory Michno draws on American, British, Australian, and Dutch POW accounts, as well as Japanese convoy histories, declassified radio intelligence reports, and a wealth of archival sources to present a detailed picture of the horror.      **A Bizarre Captive's Diary** Anusha Devi Harish, 2016-11-01. 29-year-old Tara's monotonous routine is interrupted when a strange man enters her life and claims that he will cause bomb blasts and terrorize the religious city of Schedoty in order to exterminate those who believe in the creator and have blind faith.
