

1) Cloud-hosted VoIP: A cloud-hosted VoIP network provided the client with a robust infrastructure that integrates multi-office communications into a single environment. The built-in disaster recovery would mitigate any downtime and ensure business continuity even if disaster strikes. DOTVOX's national POP presence would clear latency issues typical of on-premise PBX phone systems or outdated servers.

2) Feature-rich: The client is able to leverage sophisticated VoIP features ideal for multi-site offices to improve internal and external operations.

- a. Hoteling:** Enables a user's profile to be temporarily loaded onto any shared (host) phone, transferring the user's extension, tools, and contacts.
- b. Mobility:** Provides access to company's VoIP network and PBX features through desktop, desk phone, mobile phone, or tablet while maintaining a single business identity.
- c. Hunt Group:** Inbound sales calls were automatically directed to a predefined group of extensions within the VoIP network, limiting missed calls rates and allowing the client to handle high call volumes with ease.
- d. Receptionist Client:** Consolidates need for multiple front-of-house receptionists into one telephony attendant console that has the capability to manage multiple locations.
- e. Call Center:** Features designed to manage service methods and schedule reporting improves overall customer service.

3) 24/7/365 U.S.-based Support: Starting with an easy onboarding process, DOTVOX support provides stellar ongoing support to ensure the client's VoIP system is running at optimal performance. Immediate response from dedicated Account Managers allows the client's IT personnel to allocate valuable resources to more pressing matters.

4) 50% Cost Savings: DOTVOX was able to deliver an enhanced VoIP solution, customized feature-set, and dedicated account management while reducing total cost by 50%.

THE RESULT

The promise of 50% Cost Savings was a key draw for the client and has been delivered upon.

Having access to timely 24/7/365 support, a central management tool for telephony across locations and ease of implementation for new users were all improvements upon the previous solution.

Business and employees are now able to work more efficiently. Processes around communications are streamlined. IT staff is more productive, receive 24/7/365, U.S.-based support from DOTVOX within hours, allowing them to focus on maximizing the value IT delivers for the business and maintaining their competitive advantage in the financial services industry.

CONCLUSION

Beyond the cost savings, management and efficiency benefits, our client has been able to leverage Trapp's expertise in other areas of their IT. Having a one stop shop for VoIP, IT Services and Project Management as well as cloud hosting has been invaluable to the client and has allowed them to fill skills, expertise and bandwidth gaps when they have arisen.

Freelancing on Upwork Madison Hall, 2018-04-20. Want to work at home from the comfort of your sofa or bed? Well, Upwork is the right place for anyone with a passion for offering services online and making money in the comfort of their home or even at the beach. This can be liberating and profitable. This book has been written to guide you on how to start and develop an online freelancing business on Upwork. When you work at home, you can forget about rush hours and the never-ending traffic; you cease to worry about the expenses that come with the job: the not-so-delicious lunch, no need to buy corporate clothes, etc. etc. The information in this book is valuable for anyone who wants to start a freelancing career and be successful on Upwork. It shouldn't be a surprise that many of the basic principles required to succeed at traditional business are nearly always also effective within the traditional and online freelancer marketplace. The guide contains detailed information about how Upwork operates; this includes how to get your first job, how to bid, tips to beat the competition, how to respond to interviews, how to prepare for an interview so that you succeed at making a positive connection with the potential client, and also how to avoid negative feedback. Grab this copy today and begin your journey to success on Upwork.

Dominate Upwork James Oliver, 2019-11. Do you want to make more money on Upwork? The world's biggest freelancing platform is full of opportunity to make 1 000s each month in a huge variety of fields. So why do most Upworkers not make any money? Because they do it all wrong. I know this because I used to be one of them. My profile was full of mistakes; I would bid on 30 jobs and win none of them, and I never received a single job invite in my first 2 years on the site. Fast forward to now: I've bid and won countless jobs and have enough repeat business and private job invites where I rarely have to apply to public jobs anymore. In this guide, I lay out the steps that I took to go from making \$4 a month to making enough money to quit my corporate job and live full-time off my Upwork earnings. Unlike other books which are full of outdated advice and still refer to Upwork as oDesk and eLance, this book is fully updated for 2017. You'll learn how to get 50-100x more profile views than the average Upwork freelancer. How

to write job proposals that get you chosen ahead of 50 other candidates How to spot bad clients and avoid wasting your time bidding on their jobs The hidden advantage of being Top Rated that Upwork doesn't tell you about How I turned a 220 job into 9 000 worth of recurring work All for the price of a latte If you want to uncover a smarter and more efficient way to become a highly paid Upwork freelancer then this is the book for you Remember if you win just one 5 job after purchasing this guide you've already made a positive return on your investment Buy now to start making more money on Upwork today
