Candace Other Stories:

It's Not Going to Kill You, and Other Stories Erin Flanagan,2013-09-01 It s not going to kill you a mother tells her protesting child And maybe it won t but that doesn t mean anyone is getting off scot free A no man s land between exoneration and repercussion this is the place where the people in Erin Flanagan s stories live in events as big as 9 11 and as small as an infatuation with a dog groomer as meaningful as the birth of a baby and as senseless as a car crash as unique as a 1980s air band living out dreams for a city in decline and as common as an afterschool job that sucks These stories accept that we all make mistakes but it s what we do in the aftermath that defines us Sharp witted and tenderhearted these are stories in which readers will find people they know but never really knew until now *A New England nun, and other stories* Mary Eleanor Wilkins Freeman,1892 **Hope in the Storm** Joe Gacheru,2022-01-15 I very much know that when we or our loved ones are going through some tough experiences like a prolonged sickness what we want to hear and what we want to know is that God still cares to feel His closeness and to know He knows what we are going through We want to know that God hears our prayers even in the middle of the night when no one else is there What I strongly believe is that not a single prayer slips by God because there s no time of day He isn t listening God heard you ten years ago and He heard you last week and He hears you right now and He s already listening for your tomorrow In fact He s listening so well He already knows what you re going to say I also know very well that God never says Oops God is in control of the trials God is not on his throne wringing his hands as he waits for the outcome of events Take from it me my friend no matter how dysfunctional your background how broke or broken you are where you are today or what anyone else says you matter to our living God
